4. INVOLVEMENT

Interzone final games are only played in the Senior League and students who participate must have played the competition in their respective sub associations throughout the season. It is not in the spirit of the competition for students to be brought into teams only for finals matches.

NB. Year 10 team members of the NAS Girls Year 10/11/12 soccer and touch competition may participate in the Interzone final against SAS Girls Year 11/12 soccer and touch even though the SAS team does not include Year 10 players.

5. SPORTS

6. FIXTURE DATE

- Summer - [Week 10 Term 1 4th April 2017](#)

Summer fixtures are conducted on the last Tuesday of Term 1 or by the end of week 2 Term 2. Games are generally scheduled for the beginning of term 2 only if term 1 is a nine week term. Games are played between 4.00 pm and 5.00 pm on the date specified on the ACC Year Planner.

- Winter - [Week 2 Term 3 25th July 2017](#)

Winter fixtures are conducted on the Tuesday of week 2, in term 3. Games are generally scheduled for this date given the time constraints and busy schedules of schools at the end of term 2. Games are played between 1.30pm and 3.00pm on the date specified on the ACC Year Planner.

Postponements are not recommended, however if there is an unavoidable clash on a school calendar then the final can be played at another date. In the case that a winning team from either Sub-Association is unavailable to play, the unavailable team must liaise with the opposition and organise an alternate time. The alternate date must be within two weeks of the original date. The ACC must be notified of all changes as soon as a clash is envisioned. Any changes to the booking of venues and the costs associated with the rescheduling including umpires, is the responsibility of the school requesting the reschedule.

If an alternative date cannot be arranged within the stated time, the non-forfeiting team will be presented with the winning plaque and the player awards. In the event that more than 1 forfeit occurs, the game will be considered abandoned if both schools cannot mutually decide on a rescheduled date. Every effort should be made to reschedule dates in the stated time frame.

7. DAYS OF PLAY

Summer	-	Tuesday
Winter	-	Tuesday

8. HOURS OF PLAY

Summer - 4:00pm start

Winter - 1:30pm start

- Both teams are to arrive 10 minutes prior to the official start time to commence a warm-up. A mandatory 5 minute warm up should be enforced AT ALL times (regardless of arrival time).
- All schools should make every effort to commence games at the official start time of 4:00pm in summer and 1:30pm in winter.
- The latest allowable start time for games to commence in summer is 4:20pm, which ensures games meet the minimum playing requirements and the match is finished at 5:00pm. Note: a brief presentation will follow directly after the game.
- The latest allowable start time for games to commence in winter games is 1:50pm, which ensures games meet the minimum playing requirements and the match is finished by 2:30pm. Note: a brief presentation will follow directly after the game.
- All Schools must adhere to the start times to ensure the minimum match requirements are able to be met. If a school has a concern ahead of time about the hours of play, it is the responsibility that school to make contact with the opposition and discuss their options. If this happens the schools need to include the ACC in any forms of communication so bookings with venues and umpires are accurate. Communication must include email and mobile phone contact.
- If a school anticipates on the day of competition that they are going to be late due to unforeseen circumstances, appropriate and prompt communication needs to be taken to keep the school waiting at the venue and the ACC informed.
- The ACC will book venues up to 30 minutes prior to the hours of play as stated in the charter, for schools to utilize the venue for their warm up.

11. GENERAL CONDITIONS OF PARTICIPATION**11.1 Dress**

For all Interzone games, players dress standards must be consistent with, and in line with the traditional expectations for that sport. Tracksuits are NOT acceptable items to be worn during games. In extreme adverse climatic conditions, the coaches can convene and if agreed, tracksuit tops may be worn, but NOT bottoms. In addition, only Goalkeepers in hockey and soccer may wear tracksuits or part thereof.

11.2.1 Staffing

Suitable teaching staff is assigned a coaching or managing task by the Sports Coordinator and approved by the Principal.

Individual schools must understand their “Duty of Care”, and ensure the presence of staff at each venue. Schools need to make sure staff have adequate first aid training and are well equipped in the event a student sustains an injury. Each school engages all necessary staff and meets its own cost in this regard.

11.2.2 Staff Authority

Staff from both schools engaged in a fixture, have the authority to address and or discipline students from the opposite school.

11.2.3 School Complaints

In the event of a dispute, Sports Coordinators should first try to work out an agreement on disputes using the ‘Inter-zone Operations of Charter’ and if unsuccessful move to the Principals for clarity.

No school is to submit a complaint against another school’s team, staff or student(s) without first addressing the issue with the school’s Principal. ACC staff will not get involved in any incident or disagreement unless the two Principals cannot come to an agreement. If no agreement can be achieved between the two Principals, either or both Principals may submit a complaint to the ACC for adjudication.

11.3 Team Minimum Numbers

<u>Summer</u>		<u>Winter</u>	
Basketball	5 players	Netball	7 players
Touch	7 players	Soccer	7 players
Indoor Beach Volleyball	4 players	Badminton	4 players

11.4.1 Umpires/Referees

The ACC will supply all referees for the Inter zone finals and be responsible for all the costs.

Umpires will be sourced from the specific sport's governing body or reputable sources and be expected to be of an appropriate standard with adequate qualifications and experience. The only exception to this is if a game is rescheduled to an alternative date. The school requesting the reschedule is responsible for all referee costs.

*The ACC appreciates any feedback from the Sports Coordinators regarding the umpire standards. The association endeavors to hire reliable umpires to maintain high and consistent standards for the Interzone Finals *

11.4.2 Send off Rule

If a student is sent from the field of play he/she is **not** permitted to return to the field of play for that game. The umpire/referee should indicate the reason for the send off to the team coach and the player concerned when it is convenient. A written report is to be made and copies sent to the Sports Coordinators of each school. The Sports Coordinators should then take appropriate action.

REFER: APPENDIX 16 "INSTRUCTIONS TO UMPIRES/REFEREES", APPENDIX 17 "GAME PROCEDURES AND ETIQUETTE".

11.6 Protective Equipment

Refer to individual sports charter. It is essential that **ALL** protective equipment is worn at all times and that the equipment is maintained at optimal levels. Student's safety should not be compromised.

11.7 Reporting of Results

All score cards are to be signed by the umpires and coach from each school. Once the score is agreed and the card is signed it must be handed to the ACC representative present at the game. If there is no ACC representative present, the score card must be kept by the teacher in charge of the winning school. On return to school, the final scores need be emailed to Ella Pearce at the ACC pearce.ella@cathednet.wa.edu.au with the other school staff member and/or Sports Coordinator included in the email. Both schools need to confirm the final score received by the ACC is true and correct.

Once the ACC receive confirmation from both schools, the results will be uploaded to the ACC website and the results will be final.

Please note- the name of the MVP player needs to be included in the results given to the ACC. This information will be included in the news article on the ACC website once the results are confirmed.

11.9 Venues

All venues are the responsibility of the ACC. The ACC will cover all the expenses related to the hiring of the venues. Most venues are booked up to 6 months in advance and there is no guarantee venues can be changed once bookings are confirmed. Venues may change from year to year.

Venues are selected based on a number of factors:

- Proximity to schools from both associations
- Quality of the facilities
- A Fair distribution of South and North venues if a neutral venue can't be booked
- Access for buses to drop off and collect students
- Availability

If a school reschedules a match it must be within 2 weeks of the original date. All venue costs and umpire fees associated with the re-booking are the responsibility of the school who requested the reschedule.

11.13 **Start/Finish Match Length Policy**

- 11.13.1 Start/Finish Time: **Summer 4.00pm - 5.00pm** is the official Interzone final match time. Schools are expected to **arrive by 3.50pm** to enable teams to warm up before the 4.00pm start. The latest allowable start time for games to commence in summer is 4:20pm, which ensures games meet the minimum playing requirements and the match is finished at 5:00pm
- 11.13.2 Start/Finish Time: **Winter 1:30pm- 2:30pm** is the official Interzone final match time. Schools are expected to **arrive by 1:20pm** to enable teams to warm up before the 1:30pm start. The latest allowable start time for games to commence in winter games is 1:50pm, which ensures games meet the minimum playing requirements and the match is finished by 2:30pm.
- 11.13.3 In the case of a match forfeit due to a late start, a 'social' match will still be played but the playing time will be reduced by mutual agreement between coaches ensuring equal half playing periods. The result will be invalid.
- 11.13.4 All games MUST adhere to the minimum playing time for that sport (as listed below, see point 8) to constitute a match. Quarter and half time breaks are not to be counted within the playing time.
- 11.13.5 Forfeits: In the event that a match is to be forfeited due to a late arrival, then the forfeit must be 'declared' before the start of the match. The forfeit is to be declared in the first instance by the coach of the offending team, if not then by the umpire/referee and the forfeit must be noted on the score card. If the forfeit is not 'declared' before the start of the match then the result will stand if the match length played met the minimum playing time requirements.
- 11.13.6 Finish Time: all matches should finish on or before the prescribed time to give adequate time for the presentation and the return journey to schools.
- 11.13.7 Schools MUST ensure that they educate their staff, students & coaches of this late start forfeit rule, to ensure that this rule is implemented in the right spirit.
- 11.13.8 **Minimum playing time to constitute a match**
- Basketball: A minimum of 12 minutes per half constitutes 'full-time' for a game result.
 - Soccer: A minimum of 15 minutes per half constitutes 'full-time' for a game result.
 - Netball: A minimum of 4 x 8 minute quarters constitutes 'full-time' for a game result.
 - Indoor Beach Volleyball: A minimum of the best of 3 sets played to 21 points constitutes 'full-time' for a game result.
 - Touch: A minimum of 15 minutes per half constitutes 'full-time' for a game result.
 - Badminton: A minimum of 15 minutes per period of play constitutes 'full-time' for a match result, with all three pairs filling this time requirement.

11.11

- *A player who has a significant and positive impact on the game*
- *Note: The MVP player does not have to come from the winning team*

**** *Note- Badminton is self-umpired*****

11.14 **Weather Policy**

11.14.1 Hot Weather

- Sports Coordinators contact weather bureau at 11.30am. If the weather conditions are extreme (high temp & high humidity), schools consult with the other school and make a decision prior to 12:00pm (noon). The host school and ACC are to be made aware of this decision. If possible, indoor sports should go ahead.
- Team coaches: Duty of care to students is of paramount importance and individual coaches/managers always have the power to cancel an individual match if they believe that student health and safety is at risk. Where possible coaches should consult one another and agree on the decision made.
- The provision of water is the responsibility of the individual players and the coach. It is recommended schools come prepared in case the venue does not have drink facilities in close proximity to the playing grounds.
- Where possible the following guidelines should be followed when matches are played under hot/humid conditions:
 1. *Use venues that are: indoors or shaded. Outside hard courts should not be used due to increased radiant heat.*
 2. *Normal sun protection measures (hats/sunscreen) should be strictly followed*
 3. *Reduce match length or period length (in line with minimum match requirements)*
 4. *Increase player rotation through the bench*
 5. *Provide frequent rest/drink breaks*
 6. *Ensure that rest breaks are in shaded areas.*
 7. *Ensure students drink water BEFORE/DURING/AFTER the match*
 8. *Use common sense in hot/humid conditions and remember that student welfare always comes first.*
- In the event that games are cancelled prior to the start OR games are cancelled during the game and before the minimum playing requirements are met, no result will be recorded. The ACC and sport Coordinators will liaise with one another and a rescheduled date will be agreed on.

11.14.2 Winter Weather (severe)

At 12.00pm (noon), Sports coordinators to consult and if the consensus is a disaster (lightning and hail) then games are cancelled. If doubtful, teams show up and a decision is made at the venue. Winter fixtures should only be cancelled if the weather is severe (lightning/hail/wind) and poses a risk to student well being – rain itself is not severe and cause for cancellation. In extremely cold conditions, the coaches may convene and, if agreed, tracksuit tops may be worn, but not bottoms.

- Current weather forecasts can be obtained at: <http://www.bom.gov.au/weather/wa/>

11.14.3 Cancelled Fixtures - Due to Weather

- When teams cancel games due to weather only those sports affected by weather should be abandoned and any indoor games should still go ahead as normal.

11.14.4 Abandoned Games – after commencement

Should a game be abandoned whilst in progress, for reasons other than inclement weather, the match result will depend on whether the cause was ‘avoidable’ or ‘unavoidable’.

- Melees (avoidable): No result and game will be cancelled. This type of play does not uphold the ACC motto “Sport in the right Spirit”
- Severe Injury (unavoidable): Leading team at the time wins if the minimum playing requirements have been met specific for that sport.
- Dangerous weather events (unavoidable): Same as for severe injury (above).

11.14.5 Cancelled Fixtures - Due to advance weather advice from external authorities

In some cases of extreme weather events there may be an advance weather warning advisory issued to schools by external authorities such as the Bureau of Meteorology, Catholic Education Office or Department of Education. In these extreme cases schools may be advised to cancel outside activities or to close. Schools would therefore be compelled to cancel sporting activities.

In this case the ACC will liaise with all schools to make a decision about whether rescheduling all matches affected is possible.

NB: This charter clause should not cover standard weather warnings issued by the Bureau of Meteorology and is only to be enacted if there is a clear directive from an external authority to either close schools or cease outside activity.

11.16 First Aid

In the event of serious injuries, a **staff member** from the school must be responsible for the welfare of that student, seeing that they get the appropriate care.

It is highly recommended that players wear mouthguards in all contact sports. Each school engaged in fixtures must have access to their own first aid kits. **Appropriate cold therapy (ice/cold packs) should be in all School First Aid kits.**

It is desirable that all schools have a communication system (mobile phones/radios) in place, in the event of an emergency situation.

NB: All open wounds must be covered before players are allowed on the playing field.

WORKING WITH CHILDREN LEGISLATION

Working With Children – Legislation

From 1 January 2006 the State Government introduced legislation requiring certain people working with children in WA to undergo a "Working with Children Check" (WWC). The WWC is compulsory under government legislation and ACC schools have to comply with this legislation. In 2008 the legislation will affect people working with children aged between 13-17 years. Persons deemed to be working with children are any volunteers, employees or contractors (over 18 years of age) who in their usual duties are likely to have contact with children. Contact includes any form of physical contact, oral communication and electronic communication.

People may also be exempt from the legislation if they are a:

- volunteer under 18 years of age
- volunteer who is a parent of a child at an ACC school
- volunteer (over 18 years of age) that has worked with children on no more than five calendar days in a year.

For the purposes of these guidelines, persons deemed to be volunteers are those that are engaged in child-related work for, but are not employed by, the school. The term volunteer is not defined in the legislation. Volunteers that are being "reimbursed" for out of pocket expenses such as travel/uniform are still regarded as volunteers and not employees. However, volunteers that receive payments as a "reward" and not a "reimbursement" may be considered as employees and not volunteers. Schools will have to make their own "common sense" decision when determining the status of persons as volunteers or employees. In cases where a volunteer has received a very minimal payment then the school may consider them as a volunteer. In most cases an employee is someone that has received a wage/payment and has signed a contract of employment.

Schools involved in sub-association sport are required to comply with the legislation. Schools must ensure that all coaches, officials and bus drivers that will have contact with children at sporting events (whether they are paid or volunteers) have undergone a working with children check and hold a valid WWC card number (excluding those covered under exemptions above). To comply with the legislation you will have to keep records to ensure that people working at your sporting events have their WWC ID in order.

WWC records can be recorded in a simple format using the following example:

POSITION	NAME	VOLUNTEER/PAID	EXEMPT? – WHY	WWC CARD NUMBER
Sports Trainer	John Brown	Paid	No	123456
Basketball ref	Sue Brown	Volunteer	Yes – parent of David Brown	Not required
Bus Driver	Rob Jones	Paid	No	123455

CODES OF BEHAVIOUR

Associated and Catholic Colleges of Western Australia

The ACC strives to encourage and support all Schools in the running of their Sub Association competition, under the maxim 'Sport in the right Spirit'.

Sport can positively influence a young person's value of physical fitness and a sense of self-worth. This can take place through the opportunity to develop and build personal characteristics such as determination, self-discipline, obedience and team work.

Good sportsmanship is an integral part of all that is best in sport. It includes a generous spirit, true respect for others, graciousness and an ability to resist the temptation of gaining an unfair advantage. Good sportsmanship is an honorable behavior and a valuable life skill both on and off the playing field.

Codes of Behaviour

The following guidelines have been developed to assist everyone involved in ACC sport to promote worthy competition and clearly outline what is deemed acceptable behaviour.

Everyone involved in ACC fixtures such as players, coaches and spectators are required to adhere to these codes.

(ACC Codes of Behaviour have been adopted from the "Aussie Sport – Codes of Behaviour", produced by the Australian Sports Commission and The PSA Code of Behaviour for Sport from the Public Schools' Association of Western Australia)

Players Code of Behaviour

- Respect the rights, dignity and worth of all participants regardless of their gender, age, ability, cultural background or religion.
- Never argue with an official. If you disagree with a decision, speak with your coach and they will deem an appropriate time to communicate the concerns with the umpire.
- Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting or provoking an opponent are not acceptable.
- Work equally hard for yourself and your team. Your team's performance will benefit and so will you.
- Positive and sportsmanlike behavior should be exhibited by extending standard courtesies to the opposing teams. E.g. – applaud good play; thank referees and opposition at the end of the game.
- Treat all participants in your sport, as you like to be treated. Do not bully or use unfair or illegal tactics to gain an advantage.
- Cooperate with your coach, teammates and opponents. Without them there would be no competition.
- Immodest behavior in victory or success is an act of poor sportsmanship and not acceptable.

Coaches Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background or religion.
- Remember that young people participate for pleasure and winning is only part of the fun. Ensure the time players spend with you is a positive.
- Never ridicule or yell at a young player for making a mistake or not winning.
- Be reasonable in your demands on players' time, energy and enthusiasm.
- Set an example to your students by always playing by the rules and in the spirit of your sport. Expect and encourage your players to do the same.
- Ensure that equipment and facilities adhere to the charter recommendations and meet all safety standards.
- Display control, respect and professionalism to all involved. Encourage your players to do the same.
- Do not publicly question an umpire /referees decision and avoid blaming a team's defeat on 'poor umpiring'.
- Any scoring or umpiring discrepancies between teams needs to be settled before schools part ways from the playing venue. If coaches are in doubt, the Sport Coordinator of the Home team needs to be advised and take on the role of the mediator using the charter to assist in coming to a mutual decision.
- Establish and foster professional relationships with the coaches of opposing teams.
- Any physical contact with a young person should be appropriate to the situation and necessary for the player's skill development

Schools Code of Behaviour

- Heads of Sport, Sport Coordinators and teachers in charge of individual sports aim to foster sportsmanlike behavior and positive attitudes amongst their players, supporters and coaches.
- Sport Coordinators must communicate and advise the relevant Principal and Sport Coordinators if there are concerns with players or spectators not meeting the ACC Codes of Behaviour. This needs to be addressed immediately and confidentially in the interests of the players, coaches and the ongoing competition.
- Sport Coordinators support coaches and officials to highlight appropriate behaviour and skill development, and endeavor to improve the standards of coaching and officiating.
- Ensure that everyone involved in ACC events encourage fair play and support the ACC maxim of 'Sport in the Right Spirit'
- Make the ACC Codes of Behaviour available to the necessary people. This should include spectators, officials, coaches, players and other persons you deem necessary
- Make it very clear that any form of physical or verbal abuse or intimidation of players, coaches, spectators or officials is completely unacceptable and will result in disciplinary action if deemed necessary.

Parents and other spectators Code of Behaviour

- Children appreciate the presence and support of their parents. Set an example of good sportsmanship and give enthusiastic, but not excessive or inappropriate support. Applaud good performance and efforts from all individuals and teams. Congratulate all participants on their performance regardless of the game's outcome.
- Host school parents are invited to assume responsibility for making visiting parents feel welcome.
Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background or religion.

- Parents should not under any circumstances approach or give advice during a match to coaches, umpires/ referees or players.
- Respect the decisions of officials and encourage players to do the same by following the rules and the officials' decisions.
- Never ridicule or scold a young player for making a mistake.
- Condemn the use of violence in any form, whether it is by spectators, coaches, officials or players.
- Do not use foul language, sledge or harass players, coaches or officials.

Officials Code of Behaviour

- Give all young people a 'fair go' regardless of their gender, age, ability, cultural background or religion.
- Compliment and encourage all participants and promote the spirit of the game rather than the errors.
- Be consistent, objective and courteous when making decisions.
- Do not tolerate bad sportsmanship but instead promote respect for all players. Communicate with the coach concerned and advise them of any inappropriate behavior.
- Keep up to date with the latest trends in officiating and the principles of growth and development of young people.
- Remember, you set an example. Your behaviour and comments should be positive and supportive.
- Place the safety and welfare of the participants above all else.
- If you have any concerns regarding the credibility of the game communicate your concern with the coaches and seek assistance from the Host Sport Coordinators.
- Any form of intimidation, abuse or persuasive advice from players, coaches or spectators will not be tolerated. Advise the Sport Coordinator at the host school if you need support to resolve the matter. Feedback of this nature must be reported to the Sport Coordinator even if you do not call for assistance.
