1. AIM

To provide a swimming carnival in which students with disabilities may participate in an environment that encourages maximum participation.

2. GENERAL INFORMATION

Additional students, particularly those with disabilities, are encouraged to attend Claremont Pool as spectators. A permanent shade sail is available (on the grassed area between the 50m & 25m pools) to provide shade for competitors and spectators.

3. NOMINATION OF COMPETITORS

The criteria for nomination are as follows:

- Any student with a disability (years 7 to 12) who has not, and are unlikely to represent their school in this sport will be eligible, whether enrolled in an Education Support unit or not. Schools are also encouraged to nominate students whose disabilities prevent them from inclusion in events in school based or house carnivals.
- Age groups – U/14, U/15, U/19 (separate gender events for all) (as at 31 Dec 20).
- It is important to note that all U/13 students will be able to compete in either the Junior events or Open events. If they are swimming in Open they are **not eligible** to swim any Junior events.
- Age classes – Junior (combined U/13, U/14 & U/15); Senior – (combined U/19 & Open)
- Students are restricted to participation in three individual events and one relay event.
- Schools can nominate **only one** student for each event.
- Students must stay in their nominated age category for all events, with the exception that student who competes in U/14 or U/15 50m Freestyle (Individual events) may also compete in the Open 50m Freestyle relay.
- Students competing in the 100m & 50m individual Freestyle **cannot** also compete in the 25m individual Freestyle.
- Team (relay) events may be composite (comprised of swimmers from mixed schools). Students competing in composite teams must remain in their correct Age category.
- Gender – restrictions in all events.
- Placings gained in the Inclusive Sports Carnival do contribute towards overall divisional carnival tallies.
- Events are not categorized by disability.
- Schools must be satisfied that each competitor is capable of swimming the designated distance. Schools are responsible for the safety and well being of their students.
- A maximum of one (1) team (strictly one team) may be nominated in each age category for relay events.
- Schools without sufficient numbers for relay teams can still nominate for relay events. These students will be placed in composite teams.

• The following **32** events will be conducted in 2017

12.20pm:	PRESENTATIONS

Nominations to be received by the ACC office by the date designated on the ACC Planner
– **Friday 10th March 2017**

- All nominations are to be submitted electronically on the spreadsheet provided by the ACC. The nomination sheet can be downloaded off the ACC web site by clicking the following link:
<http://www.accsport.asn.au/carnivals/para-swimming-carnival/nominations>
 - Download the form, save it to your computer, complete the form, save the form and then email the form as an attachment to the ACC.
 - On the bottom of the sheet click the TAB button for your school name to open the sheet for your school.
 - Contact the ACC office if you have any problems with the nomination form.
- Student names **MUST** be included on the nomination form so that lane allocations can be made.

4. GENERAL COMPETITION RULES

The Inclusive Sports Carnival ***will not*** be strictly run in accordance with FINA rules and regulations. All carnival events will have placings based on ***“TOUCH ON WALL”*** as advised by Swimming WA. This means that all places are determined by touching the end of the pool (one or two hand touch is permissible), on completion of swim. It is also important to note that there are ***no classifications*** to separate disabilities ***only genders and age groups***. That is, all events are multi-disability events.

5. CARNIVAL DAY

The IS Swimming Carnival in 2014 will be a ***Stand Alone*** carnival. Events on the day are conducted in accordance with standard procedures as per divisional carnival events. The annual schedule is as follows:

Swimming Carnival	Athletics Carnival
2014 IS (04/04/14)	2014 IS (11/09/14)
2015 IS (30/03/15)	2015 IS (11/09/15)
2016 IS (1/4/16)	2016 IS (9/11/16)
2017 IS (31/3/17)	2017 IS (8/9/17)

6. CARNIVAL AND EVENT LOCATION

All events for the IS Carnival are conducted in the 25m & 50m pool at Claremont Aquatic Centre. The events have been organised so that more competent swimmers compete in the 50m pool and less competent swimmers in the 25m pool.

Buses:

- The complex allows for maximum parking in the golf course car park situated on Lapsley Street. This car park is used for large buses and only small mini vans (8 seaters) may park in the main pool car park. There is an access ramp from the lower golf car park to main pool car park.

7. EVENT PROCEDURES

General Procedures:

- Competitors begin all races under the direction of the Chief Starter. Competitors will be advised of their placing by the **Referee** who determines the final placings of all swimmers. Chief Timekeeper and Timekeepers will determine times **only** for individual medal events and relays.
- Competitors may be assisted by their nominated carer in all sections of the race as long as they do not provide their students with any unfair advantage or impede/disadvantage a swimmer in another lane.
- The commencement of an event will not be delayed for any competitor.
- Start Procedures; the starter will give the instructions, “Take your Marks” and the swim horn will make a sound for “Go”. False starts may be called if swimmers break at the start. This is at the discretion of the Starter and will not incur any disqualification in the IS Carnival.

25 m Freestyle:

- Competitors must stay in their allocated lane for the entire race. They must not leave the pool at any time until they have received their official placing from the **Referee**

50 m & 100m Freestyle:

- Competitors must stay in their allocated lane for the entire race. They must not leave the pool at any time until they have received their official placing from the **Referee**. Swimmers must be removed promptly from the pool.

Relays:

- Competitors must stay in their allocated lane for the entire race. The last swimmer must not leave the pool until they have received their official placing from the **Referee**. Other swimmers will leave the pool when directed by the officials at each changeover. Carers must be ready to assist students out of the water whilst not interfering with other swimmers.

8. COMPETITOR SEATING/MARSHALLING/PRESENTATIONS

Inclusive Sports Carnival competitors & spectators are to assemble under the main shaded area of Claremont Pool (situated between the 50m & 25m pools). These areas are clearly visible to all people entering the complex and will be sign posted.

IS Carnival competitors for all 50m & 100m events will be marshalled on the southern side of the 50m pool where a permanent mini-grandstand exists.

On completion of their event, competitors are able to re-join their schools under the main shaded area.

Access to the IS Carnival is via the wired double-door fence located on the southern side of the car park.

Presentations will be conducted at the western end (between main shaded area & in front of 25m pool).

9. COMPETITOR TOILETS

IS Carnival competitors that require disabled toilet facilities are asked to use the Special Needs Change room located at the Davies Road side of the complex. Staff should supervise competitors and spectators where appropriate.

Note: If you require special or extra assistance for any of your students attending, please contact Claremont Pool prior to the carnival day.

10. STAFF SUPERVISION

Schools nominating students must make arrangements for adequate supervision. At least one staff member must accompany each nominated team of five with other staff as necessary to accompany supporters and swimmers who may have difficulty entering and exiting the pool.

Supervising staff cannot also act as carnival officials (i.e. judges/timekeepers). The participating schools *may need to* supply carnival officials separately. Staff/carers are permitted to assist competitors participate in an event; **however their assistance is not to give 'extra' or 'unfair advantage' to or influence the outcome.**

11. FIRST AID

- Minor injuries are to be attended to by the individual school staff (bring own first aid kit).
- Injuries of a more pronounced nature are to be treated at the First Aid Post of the Claremont Pool (located behind reception).
- Students requiring First Aid care must be under the supervision of a staff member so that their relevant case history and specific needs are communicated to the first aid officer.

12. SPECTATORS

Spectators are to be supervised by staff at all times and are to be kept well clear of officials, competitors and pools.

13. PROTECTION FROM THE ELEMENTS

Slip, Slop, Slap and Wrap (don't forget variations ~ hot weather to rain and wind).

14. OFFICIALS & STAFFING

Participating schools are to provide officials in accordance with requirements listed on the officials and competitors nomination form. *Where possible, Notre Dame Students and school host students will be utilised first.*

In 2017 VET and Notre Dame Students are TBC and will assist the main Official Roles for the day.

Host School Ursula Frayne will provided added assistance to the Officilas and Admoinistration.

*It is important to note that **Ursula FrayneCatholic College** (as **HOST School 2017**) will be providing all student assistants (approximately 16-20 students) unless otherwise advised.*

- **Staffing/Supervision:**

School requirements:

- 1 – to assist competitors at the start of an event (e.g. swimmers may start the individual or relay legs in the water or stay in the water at the 'start end' during a leg in a relay). The staff member must be prepared to get wet!
- 2 - to assist competitors at the end of an event or at the end of a leg in a relay (e.g. swimmers may start the individual or relay legs in the water. Relay swimmers may stay in their lane at the 'finish' end until the relay event is finished).
- LIFEGUARD/ATTENDANTS – suitably qualified lifeguard/attendants will be provided by **Claremont Pool**.
- 3 - SPECTATOR – for 'student spectators with disabilities' and the remaining student spectators (under shaded grassed areas).

Carnival MANAGER: (*Ursula Frayne Catholic College*)

- Overall supervision of activities at the carnival
- Coordinator of all officials at carnival
- Dissemination of all instructions to Officials/ competitors
- Coordination of Student Assistants.

-

VET and Host Schools Please note: *The Officials Nominations can be filled out the same time when submitting competitor nominations. The same spreadsheet has been utilised.*

15. PRESENTATIONS

- All students who compete in events such as these should be commended for their efforts and it should be emphasized that the students are being encouraged to participate rather than compete.
- However, it is appropriate that students who win an event should be rewarded for their success and they will be provided with a medallion. Furthermore, all competitors will be presented with a certificate of participation. It is intended that these be presented at a school assembly post carnival.
- **Sue Bigelow Spirit Shield** *to be presented by the HOST SCHOOL in conjunction with a representative from the ACC:*
The receiver of the shield will have displayed outstanding commitment and support for the involvement of their students in the ACC Para carnival. The winner of the award will be the school that most embodies the ACC maxim of “Sport in the Right Spirit” and has provided its students with outstanding opportunities for participation, school/team spirit, personal development and leadership. The following attributes will be used as a guide to assess the merits of each school in the event.
 - Participation (competitors, spectators, officials, staff).
 - Team spirit/support: cheering, uniform, banners, identity, community.
 - Leadership: officials (staff and students), personal responsibility.
 - Inspiration/Diversity: participation/involvement above and beyond the norm which serves as inspiration to others.
- At the conclusion of presentations, swimmers and spectators are invited to proceed to individual school post carnival organized activities i.e. picnic lunch.
