- 7 players per team on the field at one time, which includes a maximum of 2 peer support students on the field at once
- Teams can make unlimited substitutions during games
- Goals are smaller than a standard soccer goal and there are NO GOALKEEPERS
- A goal area will be marked (with field cones) which NO player may enter

  - Side tackles are NOT allowed
  - No offsides
  - The ball may be 'rolled', 'kicked' or 'thrown overhead' from the sideline as a restart

- For free kicks, goal kicks and restarts, defenders must be a minimum of 2 metres from the ball
- All players, apart from the goalkeeper, are required to play both defence and attack
- A ball hitting a wheelchair is considered to be in that person's possession and is placed in the player's lap to continue with play

## PEER SUPPORT STUDENTS

- Peer support students must also be rotated in positions, to ensure that participants are provided the opportunity to play in numerous positions across the course of the carnival.
- Peer support students are **NOT to score**, and if they do, the result will not be recorded, with the opposition receiving a free kick out of goals.

## FINALS

- Overall game points determine the ladder and subsequent finals fixtures. Should not all teams within a pool have a BYE, final ladder placings are determined through goal differential.
- If a GRAND FINAL result is a drawer, the team with the highest goal differential after fixtured rounds, will determine the overall winner

**NOTE : finals fixtures will be announced prior to the conclusion of lunch**

A very special mention and thank you to Football Futures, Stephen Michael Foundation and Mercy College staff and students, for their continued commitment to the ACC Inclusive Sports Program, and of this carnival. Without your support, the opportunity for students to participate in both the indoor and outdoor carnivals would not be possible !
