ACC Championship Basketball One Day Carnival – Rules

2025

Associated and Catholic Colleges (ACC) and Basketball WA (BWA) reserve the right to cancel, change or amend any or all parts of this format leading up to and on the day including playing times and the fixtures. The ACC endeavours to uphold the Associations Motto of 'Sport in the Right Spirit' in all stages of planning and running of this competition.

1.0 Duration and Start of Play

- 1.1 Game schedule pending nominations / venues for either.
 - a) two (2) x 12-minute halves with a two (2) minute break at half time. A nine (9) minute period is allocated between games before the next fixture begins.
- 1.2 All fixtures will be on a running central clock with no time stoppages.
- 1.3 **One-60 second time-out per team, per half** will be allowed during which the clock will NOT stop.
- 1.4 **No time-outs will be allowed in the final (3) minutes of either half.** *If a time out is called with 3.40 left this will only permit a 40 second time out to ensure the final 3 minutes is played.*
- 1.5 Three (3) seconds in the key, cross court centre line violation and eight (8) seconds in the back court all apply.
- 1.6 Imperative games begin on time to enable the fixture to run to schedule. It is the school's responsibility to be on the correct court at the correct time to start play. Round 1 games must start prior to half time. If a team arrives at or after half time, the fixture will be forfeited, however both teams can play a friendly (no result game) in the second half.
- 1.7 A jump ball will commence the game and subsequent referee called contests will be decided by a possession arrow – alternate between teams.
- 1.8 Substitutions can only be called during stoppages of play (i.e. fouls & out of bounds), this does not include after a score from either team.

2.0 Fouls

- 2.1 The two (2) free throw rule will apply after five (5) five team fouls have been committed in that half. The sixth (6) and subsequent team fouls will result in (two) 2 free shots.
- 2.2 Any player receiving five (5) fouls during a game will be fouled out and must be substituted. The player cannot take any further part in the game; however, they are eligible to play the next fixture / round.

3.0 Conditions of Play

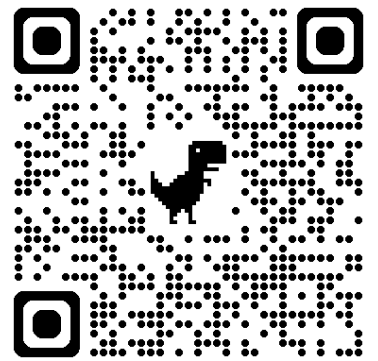

- 3.1 Each team is to nominate one competent person to be on the score bench for each game. This can be a teacher, parent, or competent senior student (who is not playing the game in progress). It is highly recommended that the person assisting has knowledge of basic stadium electronic scoring and generic basketball paper scorecards.
- 3.2 **Maximum squad size** is set at 12 players per team.
- 3.3 **Senior/Junior Boys are to use size 7 ball. Senior /Junior Girls will use Size 6 Ball.**
- 3.4 **Maximum Margin – 30 points (capped result).** This is a similar enactment to the "mercy rule" where the maximum margin recorded in the game will be 30 points. This ensures that teams can then rotate players to ensure all players get more court time when the maximum margin has been met and score recorded. Example 44-14 (capped)
- 3.5 **Ladder:** 4 points awarded for a win and 1 point for a loss. Forfeiting team will receive 0 points for a loss.
- 3.6 No Draws – Golden Point If scores are level at full time, the game immediately resets to a centre court jump ball and the game continues without clock until the next point is scored (to break deadlock). This can be a single point i.e. foul shot
- 3.7 Should two, or more, teams achieve the same total point score at the end of the round robin games the finishing position will be determined by:
 - 3.7.1 The order will firstly be determined by points differential (for minus against).
 - 3.7.2 The next differential measure will be the head-to-head game result between the tied teams. Teams cannot have a "draw" as per point 3.6 above.
 - 3.7.3 If three (3) teams are still tied after this point the highest scoring offensive team (total points for) will decide the final order (placing).
- 3.8 The referee will approve the final score before the result is valid (i.e. sign scoresheet)
- 3.9 The finishing order determine which teams qualify into the elimination championship bracket.

4.0 Playing Uniforms and Numbering

- 4.1 The ACC strongly recommends all players wearing mouthguards on court. Schools must take full responsibility of any students choosing not to wear mouthguards should any accident take place.
- 4.2 Schools are requested to wear an appropriate basketball uniform. If no basketball playing uniform is being used, teams must wear school sports/PE uniform with numbered bibs/vests.
- 4.3 Should uniforms not allow numbers to be placed on them then all players will be asked to have clearly visible numbers written on their arms.
- 4.4 In accordance with the FIBA rules, teams may only use numbers 0, 00 and 1 to 99.
- 4.5 Players on the same team shall not wear duplicate numbers.
- 4.6 Shorts recommended to not have pockets and if worn, pockets will be required to be taped down for safety reasons.
- 4.7 All Players must remove jewellery such as earrings and ring
