General Information

Foreword

As we close out the 2024 school year, I want to express my heartfelt thanks to all our member schools for their ongoing support of the ACC and for the warm welcome I've received in my first year as Director of Sport. It has been a true privilege to get to understand the sporting opportunities that the ACC offers, and I have thoroughly enjoyed learning more about each of your schools.

Looking ahead to 2025, I'm excited about the opportunities we have as an association. We have some important projects underway, including the Sub-Association review work, the launch of a new website, and the implementation of a new results management system. Alongside these initiatives, I look forward to connecting with your schools and gaining greater insight into your sporting programs.

Reflecting on 2024, it's clear that the ACC and the schools' sport staff have delivered a year full of high-quality sporting events, with participation across a wide variety of disciplines. One of the highlights of my role this year has been presenting the prestigious ACC Letters Awards, which recognize sustained excellence in sport. Since its inception in 2013, the ACC Letters Award has become a symbol of achievement and commitment. This year, 32 students from 25 schools received ACC Letters, acknowledging their outstanding performances across swimming, athletics, cross-country, AFLW, basketball, AFL, and netball. Congratulations to each of those recipients and we wish them good luck on their sporting journeys.

I would also like to take this opportunity to thank the incredible staff at the ACC. Their professionalism, skill, and tireless effort in planning and executing the sporting events each year are appreciated. I am deeply grateful for their support throughout my first year in the role, via their experience and genuine care for the ACC's reputation.

To all of you, enjoy the well-earned break, and I look forward to the exciting opportunities and challenges 2025 will bring. Please do not hesitate to reach out—I would love to visit your schools, hear your thoughts on school sport, and continue working together to build on the success of the ACC.

All the best for the year ahead.
