General Information

Foreword

As 2025 races to a close, it is an opportune moment to pause, reflect, and acknowledge another successful year of sport delivered in the right spirit. I extend my sincere thanks to each of our 90 member schools for your continued support of the work we do.

The ACC remains firmly committed to planning and delivering high-quality school sporting events that are professionally managed and provide opportunities for all students willing to compete.

Looking ahead to 2026, our work not only continues but expands. We are excited to embark on a new chapter with the introduction of the Association's first event for Primary-aged students. The inaugural Junior ACC (JACC) Cross Country, to be held on Wednesday 27 May, will be a landmark occasion in the 89-year history of the Association. Alongside this initiative, I look forward to strengthening connections with your schools and gaining deeper insight into your sporting programs.

I would also like to acknowledge and thank our ACC staff. They are dedicated, highly capable professionals who expertly plan and execute a demanding calendar of events each year. Their support during my first two years in the role has been invaluable and is greatly appreciated; To Suzie Ehlers, Trent Sharpe, Rebecca Wright & Cherie Pirnie – Thank you.

To all of you, I hope you enjoy a well-earned break. I look forward to the opportunities and challenges that 2026 will bring. As with last year, please feel free to reach out—I would welcome the chance to visit your schools, hear your thoughts on school sport, and continue working together to build on the ACC's ongoing success.

Wishing you all the very best for the year ahead.

Tom Bottrell
ACC Director of Sport

Winning Team: ACC

At Ernest Johnson Oval on Friday the 29th of August the ACC won both the Girls' and the Boys' competitions in what was the first year that both the girls and boys events were played consecutively on the same day.

ACC won both of their matches in the Girls tri-series event, while the ACC Boys team scored an emphatic 113 point victory over School Sport Western Australia (SSWA).

Ben Cribb, Sporting Schools Coordinator at WA Football, declared the amalgamation of the two competitions a resounding success.

"The day produced a great atmosphere and the players put on a terrific performance with some wonderful talent on display," Cribb said.

"I'd like to thank both WA AFL clubs for their continued support of the events and our school competitions."

Both WA AFL clubs were in attendance, with Fremantle supporting the Girls' event and the Eagles linking up with the Boys. Fremantle AFLW players Aine Tighe and Dana East assisted with the Girls' presentations, while West Coast Eagles community staff were part of the Boys' presentations.

Spirit Service Awards

The Associated & Catholic Colleges of WA acknowledges the contributions of member school staff, employees and appointed officials through the ACC “Spirit” awards. Award recipients will have demonstrated a long standing and significant contribution to the mission of the association and actively embody the ACC maxim of “Sport in the Right Spirit”.

175 guests registered for the Service Awards Breakfast and 75 sports staff registered for the lunch. Both events, along with the annual review day meetings, were held at the University Club of WA.

This year, four members of the St Sebastian Fellowship were invited to take part in a guest panel interview hosted by MC Glenn Mitchell. The panel featured Brother Olly Pickett AM (2015), Mr Jim Miller (2013), Mrs Deborah Santaromita (2021), and Mr Spike Jones (2015). Their discussion focused on their personal journeys as sports educators, the challenges they have faced, and their service and contributions to school sport.
