AIM

The AFL Carnivals are an initiative of the WAFC and Associated & Catholic Colleges, to further enhance the development of Australian Rules Football within the ACC.

GENERAL CONDITIONS OF PARTICIPATION

Dress

All players MUST wear their official school AFL football uniform with the same shorts, socks, and jumper. A list of jumper colours will be included in the carnival booklets. If there is a clash in jumper colours, schools can contact each other and arrange an alternative set of jumpers.

Staffing

Suitable teaching staff are assigned a coaching or managing task by the Principal in consultation with the Sports Coordinator in such a way that each team is accompanied by a teacher or a responsible adult acting on authorization from the Principal.

If necessary, qualified (in the estimate of the Principal and Sports Coordinator) parents, past students or community coaches may be authorized by the Principal to coach/manage teams.

Points

Win 2 Points
Loss 0 points
Draw 1 points

Teams with equal points on final competition ladders, will be separated by percentage.

Forfeits

If a forfeit occurs due to a team arriving late, then the forfeit must be called before the start of play. Early communication is essential to alleviate problems arising from forthcoming forfeits.

A team causing the forfeit will receive 0 points, whilst the opposition receives 2 points for that fixture. To assist with the separation of teams with equal points on the competition ladders, the team winning a forfeit, will be awarded a point score of 45-0. The team losing will be awarded 0-45.

Where a "mutual" forfeit has occurred, both teams will receive "draw" points (i.e., 1 point each), and the average point score of all teams throughout the day.

Protective Equipment

Mouth guards are strongly recommended by the ACC for all players. Schools allowing players to play without mouth guards must take full responsibility for any injuries incurred.

Results

Score cards are provided by the ACC for the goal umpires and should be signed by the coaches after each game. Scorecards are to be submitted to the ACC carnival manager after each game for results entry and ladders.

All results are entered into the JARO results management program by the carnival manager. Fixture results and ladder placings are available to everyone via the JARO app or the ACC website.

Inclement Weather

Matches/carnivals will only be cancelled in cases of extreme weather that pose a risk to player safety. Rain is not considered extreme weather.

First Aid

Accredited first aid officers will be arranged by the ACC for all carnival venues to assist with injury management. Schools should still have their own first aid kit to deal with minor injuries and contingency plans in place in case of serious injury.

VENUES

It is the responsibility of both schools to leave the venues in good condition at the end of the carnival. All rubbish should be placed in bins provided.

Match venues will vary from year to year but are likely to be from those listed below. All venues will have adjacent football ovals. The ACC will make all ground bookings.

SANCTIONS, DISPUTES AND PROTESTS

Australian Football

First misdemeanor will automatically earn a **yellow card** (this does not preclude a red card and automatic exclusion for a serious offence). A yellow card will necessitate removal from the playing area for coach counselling for a period of not less than ten minutes.

A **red card** means automatic exclusion for the rest of that game, the next game, and an appearance before the sport coordinator immediately at the end of the game. Umpire to report name of offender and school to the sport coordinator. If any student receives two red cards, it will result in exclusion from participation for the rest of the carnival, in any or all sports.

Any two red cards presented to an individual, coach or players at any time leading up to, during, or after any game, including finals, will result in loss of game.

Any suspension issued as a result of Finals games will be transferred to games played at a local community level.

Disputes Procedures

Sort out amicably at coach-to-coach level.

Discuss problem with carnival manager.

Protests panel if unresolved.

Protests Panel

This will follow ACC dispute resolution procedures.

CODES OF BEHAVIOUR

The Codes of Behaviour have been developed to assist everyone involved in ACC sport to promote fair play and appropriate behaviour. The codes outline appropriate behaviour for players, coaches, teachers, officials, administrators, and spectators.

ACC Codes of Behaviour have been adopted from the “Aussie Sport – Codes of Behaviour”, produced by the Australian Sports Commission.

Players Code of Behaviour

- Respect the rights, dignity and worth of all participants regardless of their gender, age, ability, cultural background or religion.
- Play by the rules.
- Never argue with an official. If you disagree, have your captain, coach or manager approach the official during a break or after the competition.
- Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting or provoking an opponent are not acceptable or permitted behaviours in any sport.
- Work equally hard for yourself and/or your team. Your team’s performance will benefit, so will you.
- Be a good sport. Applaud all good plays whether your team or the opposition makes them.
- Treat all participants in your sport, as you like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coach, teammates, and opponents. Without them there would be no competition.
- Participate for your own enjoyment and benefit, not just to please parents and coaches.

Coaches Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background, or religion.
- Remember that young people participate for pleasure and winning is only part of the fun.

- Never ridicule or yell at a young player for making a mistake or not winning.
- Be reasonable in your demands on players' time, energy, and enthusiasm.
- Operate within the rules and spirit of your sport and teach your players to do the same.
- Ensure that the time players spend with you is a positive experience. All young people are deserving of equal attention and opportunities.
- Avoid overplaying the talented players; the just average need and deserve equal time.
- Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of all players.
- Display control, respect, and professionalism to all involved with the sport. This includes opponents, coaches, officials, administrators, the media, parents, and spectators. Encourage your players to do the same.
- Show concern and caution toward sick and injured players. Follow the advice of a physician when determining whether an injured player is ready to recommence training or competition.
- Obtain appropriate qualifications and keep up to date with the latest coaching practices and the principles of growth and development of young people.
- Any physical contact with a young person should be appropriate to the situation and necessary for the player's skill development.

Teachers Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background, or religion.
- Encourage young people to develop basic skills in a variety of sports and discourage overspecialisation in one event, sport or playing position.
- Create opportunities to teach appropriate sports behaviour as well as basic skills.
- Give priority to free play activities, skill learning and modified sports over highly structured competition for primary school children.
- Prepare young people for intra and inter school competition by teaching them basic sport skills.
- Make young people aware of the positive benefits of participation in sporting activities.
- Keep up to date with coaching practices and the principles of physical growth and development. Read and use the latest coaching and teaching resources for junior sport.
- Help young people understand the differences between the junior competition they participate in and professional sport.
- Help young people understand that playing by the rules is their responsibility.
- Give all young people equal opportunities to participate in administration, coaching and refereeing as well as playing.

Administrators Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background, or religion.
- Involve young people in planning, leadership, evaluation, and decision making related to the activity.
- Give all young people equal opportunities to participate.
- Create pathways for young people to participate in sport not just as a player but as a coach, referee, administrator etc.
- Ensure that rules, equipment, length of games and training schedules are modified to suit the age, ability, and maturity level of young players.
- Provide quality supervision and instruction for junior players.
- Remember that young people participate for their enjoyment and benefit. Do not overemphasise awards.

- Help coaches and officials highlight appropriate behaviour and skill development and help improve the standards of coaching and officiating.
- Ensure that everyone involved in junior sport emphasises fair play, and not winning at all costs.
- Give a code of behaviour sheet to spectators, officials, parents, coaches, players, and the media, and encourage them to follow it.
- Remember, you set an example. Your behaviour and comments should be positive and supportive.
- Make it clear that abusing young people in any way is unacceptable and will result in disciplinary action.

Officials Code of Behaviour

- Give all young people a 'fair go' regardless of their gender, age, ability, cultural background, or religion.
- Modify rules and regulations to match the skill levels and needs of young people.
- Compliment and encourage all participants.
- Be consistent, objective, and courteous when making decisions.
- Condemn unsporting behaviour and promote respect for all opponents.
- Emphasis the spirit of the game rather than the errors.
- Encourage and promote rule changes, which will make participation more enjoyable.
- Be a good sport yourself. Actions speak louder than words.
- Keep up to date with the latest trends in officiating and the principles of growth and development of young people.
- Remember, you set an example. Your behaviour and comments should be positive and supportive.
- Place the safety and welfare of the participants above all else.

Spectators Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background, or religion.
- Remember that young people participate in sport for their enjoyment and benefit, not yours.
- Applaud good performance and efforts from all individuals and teams. Congratulate all participants on their performance regardless of the game's outcome.
- Respect the decisions of officials and teach young people to do the same.
- Never ridicule or scold a young player for making a mistake. Positive comments are motivational.
- Condemn the use of violence in any form, whether it is by spectators, coaches, officials, or players.
- Show respect for your team's opponents. Without them there would be no game.
- Encourage players to follow the rules and the officials' decisions.
- Do not use foul language, sledge or harass players, coaches or officials.

In **2023** the ACC is currently offering fourteen Year 10 carnivals at the following venues and dates:

- Match balls for Division 1 carnivals (provided by WAFC).
- Perpetual Cup and medallions for Division 1 winners (provided by WAFC).
- Winning shields to other division winners.
- Accredited umpires for all Carnivals.

Competition Structure

In 2019, the year 10 AFL carnival format was superseded by a divisional model. Schools that participate regularly in this event have been allocated to a carnival division based on performance history from 2019 only. After this, schools will be elevated or relegated depending on their place at the end of each carnival (see [Item 4](#) - General Conditions of Participation 4.10 AFL Finals Year 10).

Carnival Divisions

Participating schools have been allocated into divisions that are available for viewing on the ACC website at <https://www.accsport.asn.au/carnivals/afl-carnivals/divisions-venues-year-10-only>. This table is variable depending on team nominations and venue availability each year. Schools will be notified of any updates.

If your school is not listed in the table, this does not mean schools cannot nominate a team. New teams will create a new division or replace a team that may not participate in a particular year.

Hours of Play

Year 10 Carnivals - All divisions will consist of 4-5 teams with 2-2.5 hours playing time per carnival.

The spirit of the AFL Competitions is that all schools must ensure that they arrive on time to ensure the fixture starts on time. In some instances, this will require the schools to leave early to allow for travel time to the venue. All teams should attempt to arrive at the venue at least 15-20 minutes prior to their first round for an adequate warm-up.

Sports Coordinators are expected to discuss these 'time issues' with their Principal and Deputy Principal well in advance of the fixture to ensure that the necessary organization is in place.

Team Size

The squad size rule must be adhered to for all carnivals. Schools are not to exceed the total squad number set by the WAFC, and the ACC. The numbers on the field should always be even.

Boys: 18-a-side. Each team is permitted up to seven (7) interchange players.

Girls: 15-a-side. Each team is permitted up to seven (7) interchange players.

Multiple Teams

Schools will be allowed to enter a second team ONLY if a place in a carnival division becomes available. If a school is granted approval to nominate more than one team, the second team will NOT be elevated or relegated to another division for the following year. The participation will be viewed as "invitational" only and schools should always select their strongest team for the higher division.

Nominations

To nominate a team for the AFL Carnivals competition please complete the on-line nomination form on the ACC web site at <https://www.accsport.asn.au/carnivals/afl-carnivals/year-10-nomination-form> . The due date for year 10 team nominations is **Friday 16 June 2023**.

When you have completed the form print a copy for your records and then press the submit button to send your nomination to the ACC. Once the form is submitted you should see a confirmation page appear on the web site and you will receive an email from the ACC to confirm your nomination. If you do not receive a confirmation email from the ACC then please contact the ACC office to verify that your nomination was received.

Withdrawn Team Nominations

Schools can withdraw their team/s from the competition; however, the following will apply:

- Withdrawn teams within 3 weeks of the competition will incur the allocated nomination fee.
- Withdrawn teams within 1 week of competition will incur shared costs for venue hire, first aid and umpires.

Fees

The nomination fee in **2023** is **\$78.00** per team nominated. The ACC will invoice schools for the nomination fee. Any additional fees incurred by the ACC will be on-charged to the schools, i.e., umpires, venue hire, first aid. Total costs for country schools will be calculated separately to the total costs for metro schools. All schools will see the following cost items on their term 3 invoice:

- AFL Umpires fees
- Venue fees
- First aid fees

Goal umpires are to be qualified and experienced, appropriately attired in white jackets and have a set of white flags on the day.

Finals

The boys' and girls' division one carnivals contain the strongest schools in the competition and are referred to as the **grand final carnivals**. The division one carnivals are scheduled on a separate date to the other divisions (see Item 2 for dates and venues). A place in each division 1 carnival will be reserved each year for the winner of the boys and girls South West carnivals.

For the division 1 boys' and girls' carnivals, a team list must be submitted to the ACC the week before the event.

After each year's competition, schools will be elevated or relegated from their allocated division depending on their place at the end of each carnival. The following protocols apply to this process:

1. The 1st placed school in each division will be elevated to the higher division, e.g., winner of division 3 will be elevated to division 2, etc.
2. The 5th placed school in each division will be relegated to the lower division, e.g., last place for division 3 will be relegated to division 4, etc.
3. In the event that the South West carnival winning school withdraws from their place in the division 1 carnival, the winner of the second division has the option to play in this carnival in that same year. The following applies:
 - If they choose to play, and they place 5th in the carnival, they will be relegated to division 2 and will remain in that carnival division the following year, i.e., they lose their right to be elevated. If they place higher than 5th, they will remain in division 1.
 - If they choose not to play, they will be elevated to division 1 in the following year.
4. Schools that are unable to participate in a particular year can open a place in their allocated division for a team in a lower division to be elevated. The school that withdrew in that year cannot be guaranteed a place in the same division on return the following year.
5. A school requesting to change their division due to inability to play on an allocated date will be reviewed by the ACC and will depend on availability and suitability. The ACC will apply the reallocation if it doesn't affect other schools already in that division. If the request is accepted, the team requiring the change will stay in the new division the following year.

The winner of the division one carnivals will be presented with the perpetual trophy – Eagles Schoolboys Cup (boys) and Freo Docker's Cup (girls). All other carnival division winners will be presented a perpetual shield.
