Post Carnival

The **final** determination of results will take place three days after the completion of the carnival. If final points scores differ from those announced at the carnival, the schools involved will be notified and, if necessary, shields are to be transferred using minimum process. Final point tallies will also be listed in the ACC Year Book.

POINTS ALLOCATION	1st	2nd	3rd	4th	5th	6th	7th	8th
Div I	12	11	10	9	8	7	6	5
Div II	8	7	6	5	4	3	2	1
Relays	24	22	20	18	16	14	12	10

AWARDS

At all carnivals, team shields are awarded in the following 7 categories:

Junior Boys	Senior Boys	Aggregate Boys	Combined Aggregate
Junior Girls	Senior Girls	Aggregate Girls	

If a category has two schools with equal highest scores, the schools involved will share the shield.

Age Champions and All Stars

Individual age champions are not announced at the carnivals; they will be posted on the ACC website after the carnival and winners will receive a certificate of acknowledgment.

Following the series of carnivals, the ACC will compare all results across all carnival divisions and select an honorary 'All Star' team of the best performers in each event. Students selected in the All Star team will receive a certificate of acknowledgment and an ACC 'All Star' pin.

COMPETITION RULES

- All events are conducted under IAAF rules unless stated otherwise in this booklet or the ACC Athletics Operations Manual.
- Competitors are to compete under their one registered number only. This number must be written legibly on the back of their left hand. There is no limit to the number of events an individual competitor may compete in
- For all track events, competitors must report to the marshalling marquee before the event to register their name and number. Marshalling marquees are located adjacent to the start of the event.
- If a competitor equals but does not better the record, the record is considered a shared record.
- Competitors are not to be inside the arena unless they are competing in an event.
- Competitors are to be dressed in the official athletics uniform of their school. The Chief Referee has the power to disqualify a competitor who is not suitably dressed.
- A high jump competitor must at least clear the starting height to be awarded a place and points.
- In relay events no student, coach or staff member is to be inside the arena. Athletes must remain on the outside of the track or in the marshalling marquee while waiting for their event.
- All throwing instruments are supplied. Personal throwing instruments are not to be used.
- Start Rule: Only one false start per race is allowed without the disqualification of the athlete(s) making the false start. Any athlete(s) making further false starts in the race shall be disqualified. Any competitor(s) responsible for the first false start will be warned. At the same time, all the other competitors will also be warned. Any athlete making a further false start will be immediately disqualified.
- Footwear must be worn by all competitors in all events. Spikes can be worn in all events except for discus and shot put. Spikes must conform to the following rules; 1. All spikes must be blunt Christmas Tree, Pyramid/Cone shaped. Sharp needle point spikes are not allowed; 2. Track spikes must not exceed 7mm and field spikes must not exceed 9mm, except for Javelin and High Jump which must not exceed 12mm.
- Crouch start and use of blocks are optional.

SIMULTANEOUS TRACK/FIELD EVENTS

- Athletes are permitted to leave a field event to compete on the track, and then return to continue the field event.
- Field event officials will only wait for the return of competitors up to 15 minutes after the start of the next event at that location. If it is the last event of the day at that site the official will wait 15 minutes after the last competitor present has finished.
- To avoid having to return to a field event, a competitor has the option of completing his/her three attempts in succession, outside of the normal tries order, except high jump.
- A 'returning' competitor in high jump events must re-commence jumping at the current height.
- Track athletes can also use a 'dummy' student to marshal for their track event if they are caught up at a field event.
- Competitors may only leave a field event to compete in another event if they have reported to the site and registered in the event.

HIGH JUMP STARTING HEIGHTS

The **starting height for division 2 competitors** in each carnival division is stated below in metres; ***the starting height for division 1 competitors will be 5 cm higher.***

All height increments will be 5 cm up until the final 3 competitors; then 3 cm to the top 3 places.
