## **MARSHALLING**

#### New Marshalling Process for 2025

- Much like 2024, schools must ensure the correct timing bib is placed on the correct student athlete (this is a school responsibility prior to the athletes being marshalled).
- Automated Marshalling Mats the main marshalling tent will have 3 x black mats that competitors will walk over on their way out to the marshalling line. Students must be wearing the correct timing bib allocated to them.
- · Marshalling marquee entry:

Start line positions 1 - 25 enter via chute 1

Start line positions 26 - 50 enter via chute 2

Start line positions 51 - 77 enter via chute 3

• Only students competing in each particular race will be permitted to marshal through the marshalling tent (gates) i.e. first race, U19 girls will be permitted to walk through the marshalling marquee and over the marshalling mats.

Each school must have a team liaison person with their runners for each event at the marshaling area at the correct marshalling time.

#### School team liaisons are to:

mis2 M

- ensure any competitor changes have been made with the competitor change officials in the Club Rooms.
- ensure competitors do not enter the marshalling area before their event's marshaling time (i.e. more than 20 minutes ahead of their evet time).
- ensure no more than the maximum number of allowed runners for each event enter the marshalling and start line area.
- assist in positioning their competitors on the <u>marshalling line</u>, behind their school sign, in pairs (2 behind 2) with the best runners at the front.

## **MAXIMUM NUMBERS OF COMPETITORS**

A maximum of 6 competitors per gender and age group may run for each school. Exceptions are made as follows:

- In U19 age events a maximum of 8 runners per gender may compete.
- Multi-Class/Inclusive runners do not count towards a team's maximum number.

#### THE START

- The Starter will call runners forward from the Marshalling Line to the Start Line.
- At the start line, runners are to retain their positions in pairs (2 behind 2 with the best runners at the front).
- The starter's command will be "take your marks" followed by an air horn start signal.

#### **EVENT RULES**

Event rules are as per IAAF cross country running rules, except where stated otherwise. The maximum number of competitors allowed per school for each event is part of the event rules.

#### **DRESS**

Competitors are to be attired in their school's athletic/cross country or physical education uniform.

- Footwear is compulsory. Spikes are not to be worn.
- Music devices, headphones/earpods are not to be worn while competing. The wearing of watches is discouraged due to possible timing bib sensitivity.
- Timing bibs must be worn and correctly fitted. It is the school's responsibility to ensure that competitors are wearing their correct bib number.

#### **GENERAL**

- RESULTS/PLACES: All runners are automatically timed and placed by the timing system when they cross the finish line.
- A competitor who does not cross the finish line unaided will not receive an official time, place or score. Runners that do not finish will be listed as DNF in the results.
- Course officials have the power to disqualify students who choose to walk the course and are without the desire or fitness to complete the course as a run. These students may be directed back to their team area without finishing.

## **TROPHIES & AWARDS**

Competitors represent their school as an individual and as part of a team.

The Multi-Class/Inclusive events are separate events. Multi-Class/Inclusive competitors only score points for their school in a trophy category if they are in the top three finishers for their school and finish inside the cut off time.

Medallions are awarded for individual competitors as follows:

- 1st, 2nd and 3rd place getters in each event
- 1st place getter (not disability specific) in Inclusive events

Trophies are awarded in the following 13 categories:

U13 Boys	U14 Boys	U15 Boys	U16 Boys	U19 Boys	Aggregate Boys	Combined
U13 Girls	U14 Girls	U15 Girls	U16 Girls	U19 Girls	Aggregate Girls	Aggregate

To qualify for these 13 team trophies a school must have a minimum of 3 runners who successfully complete the course within the cut-off time, in each event within the trophy category. The first three places gained by an individual school in each event, count towards these team trophies.

Schools with a year 7-12 student population under 500 can compete for shields in 2 additional categories:

Sub-500 Junior Aggregate (U13-U15)

Sub-500 Senior Aggregate (U16-U19)

To qualify for these 2 team trophies a school must have a minimum of 2 runners who successfully complete the course within the cut-off time, in each event within the trophy category. The first two places gained by an individual school in each event, count towards these 2 team trophies.

In the case of a 'draw', the trophy will be shared.

The first five place-getters in each gender age group will be selected in the ACC All Star Cross Country Team.

The first two classified Multi Class competitors in each gender age group, with positions determined using Athletics Australia's Baseline Scoring template, will also be selected in the ACC All Star Cross Country Team.

Those who achieve ACC All Stars will receive a certificate and an 'All Star' pin to acknowledgment this achievement.
