# MARSHALLING

- Schools are responsible for ensuring each competitor's correctly allocated timing bib is attached to their chest before they marshal.
- Marshalling marquee entry: school names starting with letters A to K will enter via chute 1; school names starting with L to U will enter via chute 2.
- In the marshalling tent competitors will walk over black Automated Marshalling Mats.
- Competitors are required to marshal 20 minutes before their race start time. Only students competing in each particular race will be permitted through the marshalling tent and into the marshalling area.

Each school must have a team liaison person with their runners for each event at the marshaling area at the correct marshalling time.

## School team liaisons are to:

- ensure any competitor changes have been made with the competitor change officials in the Club Rooms.
- ensure competitors do not enter the marshalling area before their event's marshaling time (i.e. more than 20 minutes ahead of their event time).
- ensure no more than the maximum number of allowed runners for each event enter the marshalling and start line area.
- assist in positioning their competitors on the marshalling line, behind their school sign, in pairs (2 behind 2) with the best runners at the front.

# THE START

- The Starter will call runners forward from the Marshalling Line to the Start Line.
- At the Start Line, runners are to retain their positions in pairs (2 behind 2 with the best runners at the front).
- The starter's command "*take your marks*" will be followed by an air horn start signal.

## TROPHIES & AWARDS

Competitors represent their school as an individual and as part of a team.

*The Multi-Class/Inclusive events are separate events. Multi-Class/Inclusive competitors only score points for their school in a trophy category if they are in the top three finishers for their school and finish inside the cut off time.*

Perpetual team trophies are awarded in the following 13 categories:

U13 Boys	U14 Boys	U15 Boys	U16 Boys	U19 Boys	Aggregate Boys	Combined
U13 Girls	U14 Girls	U15 Girls	U16 Girls	U19 Girls	Aggregate Girls	Aggregate

To qualify for these 13 team trophies a school must have a minimum of 3 runners who successfully complete the course within the cut-off time, in each event within the trophy category. The first three places gained by an individual school in each event, count towards these team trophies.

Schools with a year 7-12 student population under 500 can compete for shields in 2 additional categories:

- Sub-500 Junior Aggregate (U13-U15)
- Sub-500 Senior Aggregate (U16-U19)

To qualify for these 2 team trophies a school must have a minimum of 2 runners who successfully complete the course within the cut-off time, in each event within the trophy category. The first two places gained by an individual school in each event, count towards these 2 team trophies.

Medallions are awarded for individual competitors as follows:

- 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place getters in each event
- 1<sup>st</sup> place getter (not disability specific) in Inclusive events

The first five place-getters in each gender age group will be selected in the ACC All Star Cross Country Team. The first two classified Multi Class competitors in each gender age group, with positions determined using Athletics Australia's Baseline Scoring template, will also be selected in the ACC All Star Cross Country Team. Those who achieve ACC All Stars will receive a certificate and an 'All Star' pin to acknowledgment this achievement.
