"HOCKEY CHALLENGE"

1. AIM

The Hockey Challenge is an initiative of the Associated & Catholic Colleges, to further enhance the development of hockey within the association. The “open” interschool competition format will help promote participation and sportsmanship whilst improving hockey skill amongst the participating students. All ACC member schools are eligible to submit team nominations.

2. INVOLVEMENT

Teams are “open age” and can be selected from any secondary students in Year 7-Year 12. Separate boys and girls competitions will operate. Games are played in a one day carnival round robin format.

Maximum squad numbers are 16 per team. 11 players on the field and up to 5 substitute players. Minimum players on the field is 7 players.

It is the policy of the ACC that students competing in ACC sport must be under 19 years of age as of 31st December. Students who have turned 19 years of age are not permitted to participate in ACC sport. It is also ACC policy that student participation is limited to "secondary school students" and that the minimum level is enrolment in Year 7.

In **2023** the ACC will be offering divisional hockey carnivals at the venues and dates listed;

GIRLS

- ❖ Division 1 Metro Carnival: **Tuesday 20 June, 2023 at Perth Hockey Stadium (Curtin)**
- ❖ Division 2 Metro Carnival: **Tuesday 13 June, 2023 at Perth Hockey Stadium (Curtin)**
- ❖ Division 3 Metro Carnival: **Tuesday 13 June, 2023 (Grass) TBC – pending nominations**

BOYS

- ❖ Division 1 Metro Carnival: **Monday 19 June, 2023 at Perth Hockey Stadium (Curtin)**
- ❖ Division 2 Metro Carnival: **Monday 12 June, 2023 at Perth Hockey Stadium (Curtin)**
- ❖ Division 3 Metro Carnival: **Tuesday 13 June, 2023 (Grass) TBC – pending nominations**

SOUTH WEST

- ❖ **S/W Girls and Boys: Wednesday 14 June, 2023 at Bunbury Districts Hockey Stadium (TBC)**

Please note that team nominations must be received by **Friday 12 May, 2023**

3. HOURS OF PLAY

Games are generally scheduled for the time period **9.30 am - 3.00 pm**, but in some cases, there may be exceptions to this time period. Times and fixture schedule may vary depending upon the number of teams competing and available fields within each division.

All divisions will consist of 4-6 teams with approximately 2 hours playing time per team/per carnival.

- The spirit of the Hockey Challenge competition is that all schools must ensure that they arrive on time to ensure the fixture starts on time. In some instances this will require the schools to leave early to allow for travel time to the venue and adequate warm up.
- Sports Coordinators are expected to discuss these ‘time issues’ with their Principal and Deputy Principal well in advance of the fixture to ensure that the necessary organization is in place.
- Warm Up: teams should attempt to arrive at the venue at least 30 minutes prior to start time to commence warm-up.
- Finish Time: all games **MUST** finish at the prescribed round time as scheduled.

4. GENERAL CONDITIONS OF PARTICIPATION

4.1 Dress

All players **MUST** wear the official school hockey uniform or sports/team uniform. All players should wear the same type of shirt, shorts/skirt and socks. Before each game schools should contact each other to check if there could be a clash of uniform colour. In this case the second mentioned team is to wear bibs or a different coloured shirt/vests for the game.

4.2 Staffing

- Suitable teaching staff are assigned a coaching or managing task by the Principal in consultation with the Sports Coordinator in such a way that each team is accompanied by a teacher or a responsible adult acting on authorisation from the Principal.
- If necessary, qualified (in the estimate of the Principal and Sports Coordinator) parents or past students may be authorized by the Principal to coach/manage teams.

4.3 Umpires

- The ACC will aim to source Hockey WA umpires for all divisional carnivals and any finals as necessary, but school supervising staff must be capable of umpiring if required. The ACC will be invoiced for the total hockey umpires cost which will then be shared equally amongst the competing teams. Schools will share the costs of hockey umpires following the carnival.
- The umpires in accordance with normal hockey rules and procedures carry out duties of scorer and timer during the games.
- If school supervising staff or personnel are umpiring matches, they are **NOT** to coach and umpire at the same time.

4.4 Send Off Rule

Send off rule will be as per current Hockey WA rules using green, yellow and red cards as applicable.

4.5 Rules

Rules are in accordance with local Hockey WA and FIH rules unless stated otherwise in this charter. FIH rules can be downloaded from <https://fih.ch/inside-fih/our-official-documents/rules-of-hockey/>

4.6 Points

WIN	-	3 Points	
LOSS	-	0 Points	
DRAW	-	1 Points per team	
FORFEIT	-	Winning Team	- 3 Points
	-	Losing Team	- 0 Points

Teams with equal points on final competition ladders, will be separated in the following tiebreaker order:

- Goals for and against differential (goal difference across the fixtures)
- Head to Head result – between the tied teams (may be decided by penalty strokes)
- Highest scoring attacking team across the carnival (most goals across fixtures)
- Highest tally of short corners earned (across fixtures)

4.7 Forfeits

- **Games MUST start by the prescribed round time (schedule).** If teams are not ready to start at the prescribed times then a forfeit will be declared against the offending team. The game will still be played but as a “scratch match” not counting for points.

- If a forfeit occurs due to a team arriving late, then the forfeit must be ‘called’ before the start of play. The forfeit is to be declared in the first instance by the coach of the offending team, if not then by the umpire, if not then by the non-offending team coach. If the forfeit is not declared before the game starts, then the result will stand.
- Early communication is essential to alleviate problems arising from forthcoming forfeits. Schools must ensure they educate staff, students and outside coaches of the forfeit clause to ensure that this rule is implemented in the right spirit.
- A team causing the forfeit will receive 0 points, whilst the opposition receives 3 points for that fixture. To assist with the separation of teams with equal points on final competition ladders, the team winning by forfeit will be awarded a score of 5-0. The offending team will be recorded as 0-5.
- Where a “mutual forfeit” has occurred, both teams will receive “draw” points (i.e. 1 point each) and goals for and against which do not advance or regress their standing with a score of 0-0 recorded for both teams.

4.8 Protective Equipment

Mouth guards and shin pads are strongly recommended by the ACC for all players. Face masks also very strongly recommended for short corner defenders. Schools allowing players to play without mouth guards and or shin pads must take full responsibility for any injuries incurred during competition.

Goalkeepers must wear full protection and a helmet at all times. **No Kicking Fullbacks permitted in accordance with Hockey WA guidelines and FIH rules.**

4.9 Reporting of Results

Scorecards: each umpire will complete a scorecard for each game. Coaches of both teams and umpires are to sign the scorecard after the completion of the game. Scorecards are to then be submitted to the ACC Carnival Manager in the centrally located results area. Results for games will then be entered into the results system by the ACC.

4.10 Viewing Results

Results and competitions ladders can be accessed through the ACC Website, ACC mobile app or direct through the GOJARO results mobile phone app.

4.11 Venues

It is the responsibility of all schools to leave each venue in good condition. All rubbish should be placed in bins provided at the venue and toilets and changerooms kept clean at all times.

Metro Division 1 and 2 games will be scheduled on turf where applicable at the Perth Hockey Stadium (Curtin University) or alternative turf fields in the metropolitan area. Division 3 games will be played predominantly on grass fields at venues such as Alderbury Reserve.

South West Hockey Challenge will be played at the Bunbury and Districts Hockey Stadium and will be played on turf where applicable with team nomination numbers.

The ACC will make all ground and competition bookings. Schools will share the cost of venue hire. Amount charged will be varied depending on the number of games and the cost of the hire fee.

4.12 Final Team Placings

Points gained in the round robin qualifying fixtures determine the final team placings for the winner; polling first place. In some instances, finals may take place between the top teams.

The winners of the ACC Hockey Challenge Division 1 have the opportunity move directly into the finals aspect of the School Sport WA hockey competitions for both boys (David

Bell Cup) and girls (Buchanan Cup). For further information on these SSWA competitions check the SSWA web site:

Boys: <http://www.schoolsportwa.com.au/interschool/secondary/hockey/boys/>

Girls: <http://www.schoolsportwa.com.au/interschool/secondary/hockey/girls/>

4.13 **Semi Finals (only applicable if semifinals take place in schedule)**

If a draw is the result at the end of playing time, immediate penalty strokes will be taken. No extra time is taken in Semi Finals as this is to ensure the Grand Final starts on time.

Grand Final (only applicable if grand final take place in schedule)

If a draw is the result at the end of regular playing time, a further 10 minutes golden goal extra time is to be played (5 mins each way). If scores are still tied, sudden death penalties/strokes will be taken.

4.14 **Fixture Finish Times**

It is essential that fixtures finish at the prescribed time ensuring that students can return to school. In some instances, this may not be possible, however all fixtures should aim to be completed before 3.00pm.

In the event of a late start to a fixture, due to unforeseen circumstances, the playing time for that fixture is to be reduced by mutual agreement ensuring equal half playing periods.

4.15 **Inclement Weather**

Games/carnivals will only be cancelled in cases of extreme weather that pose a risk to player safety. Wet weather and rain are not considered extreme weather with hockey classified as a winter sport. Only severe thunderstorms with localized lightning and/or field flooding should be grounds for cancellation.

All decisions regarding cancellation of play are to be made no later than 8.00am on the morning of competition.

4.16 **First Aid**

A St John's ambulance service vehicle and event officers will be arranged by the ACC for all carnival venues to assist with injury management. Each team is responsible for their own minor first aid provision and should provide their own school kits and ice where required.

4.17 **Fees and Costs**

The nomination fee in **2023 is \$78.00 per team**. This includes team nomination and Jaro subscription fee. Extra charges for venue/turf hire, first aid and umpires will be shared amongst competing teams and levied to schools at the end of the carnivals. Schools may be responsible for providing their own umpire in the event that the ACC is unable to secure accredited Hockey WA umpires.

5. NOMINATIONS

Team nominations are to be submitted electronically to the ACC using the on-line webform. Nominations are due to the ACC office by **Friday 12 May, 2023**. The online webform can be located from the following link:

<http://www.accsport.asn.au/carnivals/hockey-challenge/nominations-0>

When you have completed the form print a copy for your records and then press submit button to send the nomination to the ACC. Once the form is submitted you should see a confirmation page appear on the website. The ACC office will then contact all schools with more details on the carnivals closer to the event.

6. DIVISIONS

The ACC Hockey Challenge carnival format will be a divisional model that aims to best utilize hockey turf facilities within WA. Schools that participate regularly in this event have been allocated to a carnival division based on performance history. After this, schools will be elevated or relegated depending on their place at the end of each carnival. The details in the table are subject to change and could vary depending upon team nominations. Schools will be notified of any updates around the team nomination closing date.

The competition is open to all member schools (even those not listed below in the table). Schools that are submitting first time teams will typically be placed in the lowest possible division or create a new division if the total team nominations warrant this.

The following protocols apply to elevation and relegation;

1. The 1st placed school in each division will be elevated to the higher division, e.g. winner of division 2 will be elevated to division 1 the following year.
2. The 6th or lowest placed school in each division will be relegated to the lower division, e.g. last place for division 1 will be relegated to division 2, etc.
3. The South West carnival winning teams have the opportunity each year to travel to Perth and compete in the Division 1 metro carnivals. The Division 1 carnival will either have 5 teams or 6 teams competing depending upon if the South West school partakes in the division.

Codes of Behaviour

The Codes of Behaviour have been developed to assist everyone involved in ACC sport to promote fair play and appropriate behaviour. The codes outline appropriate behaviour for players, coaches, teachers, officials, administrators and spectators.

(ACC Codes of Behaviour have been adopted from the "Aussie Sport – Codes of Behaviour", produced by the Australian Sports Commission.)

Players Code of Behaviour

- Respect the rights, dignity and worth of all participants regardless of their gender, age, ability, cultural background or religion.
- Play by the rules
- Never argue with an official. If you disagree, have your captain, coach or manager approach the official during a break or after the competition.
- Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting or provoking an opponent are not acceptable or permitted behaviours in any sport.
- Work equally hard for yourself and/or your team. Your team's performance will benefit, so will you.
- Be a good sport. Applaud all good plays whether your team or the opposition makes them.
- Treat all participants in your sport, as you like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coach, teammates and opponents. Without them there would be no competition.
- Participate for your own enjoyment and benefit, not just to please parents and coaches.

Coaches Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background or religion.
- Remember that young people participate for pleasure and winning is only part of the fun.
- Never ridicule or yell at a young player for making a mistake or not winning.
- Be reasonable in your demands on players' time, energy and enthusiasm.
- Operate within the rules and spirit of your sport and teach your players to do the same.
- Ensure that the time players spend with you is a positive experience. All young people are deserving of equal attention and opportunities.
- Avoid overplaying the talented players; the just average need and deserve equal time.
- Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of all players.
- Display control, respect and professionalism to all involved with the sport. This includes opponents, coaches, officials, administrators, the media, parents and spectators. Encourage your players to do the same.
- Show concern and caution toward sick and injured players. Follow the advice of a physician when determining whether an injured player is ready to recommence training or competition.
- Obtain appropriate qualifications and keep up to date with the latest coaching practices and the principles of growth and development of young people.
- Any physical contact with a young person should be appropriate to the situation and necessary for the player's skill development.

Teachers Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background or religion.
- Encourage young people to develop basic skills in a variety of sports and discourage over specialisation in one event, sport or playing position.
- Create opportunities to teach appropriate sports behaviour as well as basic skills.
- Give priority to free play activities, skill learning and modified sports over highly structured competition for primary school children.
- Prepare young people for intra and inter school competition by teaching them basic sport skills.
- Make young people aware of the positive benefits of participation in sporting activities.
- Keep up to date with coaching practices and the principles of physical growth and development. Read and use the latest coaching and teaching resources for junior sport.
- Help young people understand the differences between the junior competition they participate in and professional sport.
- Help young people understand that playing by the rules is their responsibility.
- Give all young people equal opportunities to participate in administration, coaching and refereeing as well as playing.

Administrators Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background or religion.
- Involve young people in planning, leadership, evaluation and decision making related to the activity.
- Give all young people equal opportunities to participate.
- Create pathways for young people to participate in sport not just as a player but as a coach, referee, administrator etc.
- Ensure that rules, equipment, length of games and training schedules are modified to suit the age, ability and maturity level of young players.
- Provide quality supervision and instruction for junior players.
- Remember that young people participate for their enjoyment and benefit. Do not overemphasise awards.
- Help coaches and officials highlight appropriate behaviour and skill development, and help improve the standards of coaching and officiating.
- Ensure that everyone involved in junior sport emphasises fair play, and not winning at all costs.
- Give a code of behaviour sheet to spectators, officials, parents, coaches, players and the media, and encourage them to follow it.
- Remember, you set an example. Your behaviour and comments should be positive and supportive.
- Make it clear that abusing young people in any way is unacceptable and will result in disciplinary action.

Officials Code of Behaviour

- Give all young people a 'fair go' regardless of their gender, age, ability, cultural background or religion.
- Modify rules and regulations to match the skill levels and needs of young people.
- Compliment and encourage all participants.
- Be consistent, objective and courteous when making decisions.
- Condemn unsporting behaviour and promote respect for all opponents.
- Emphasise the spirit of the game rather than the errors.
- Encourage and promote rule changes, which will make participation more enjoyable.
- Be a good sport yourself. Actions speak louder than words.
- Keep up to date with the latest trends in officiating and the principles of growth and development of young people.
- Remember, you set an example. Your behaviour and comments should be positive and supportive.
- Place the safety and welfare of the participants above all else.

Spectators Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background or religion.
- Remember that young people participate in sport for their enjoyment and benefit, not yours.
- Applaud good performance and efforts from all individuals and teams. Congratulate all participants on their performance regardless of the game's outcome.
- Respect the decisions of officials and teach young people to do the same.
- Never ridicule or scold a young player for making a mistake. Positive comments are motivational.
- Condemn the use of violence in any form, whether it is by spectators, coaches, officials or players.
- Show respect for your team's opponents. Without them there would be no game.
- Encourage players to follow the rules and the officials' decisions.
- Do not use foul language, sledge or harass players, coaches or officials.
