

## VENUE EXIT

Schools are to remain seated after the presentations until directed by the Announcer/Carnival Manager. The Carnival Manager will have radio communication with the official outside at the bus area and exit from the facility will be coordinated in a specific order. Country schools are scheduled to exit first. Schools are only to move when directed to by the Carnival Manager.

Exit channels are indicated on the seating plan provided. These must be strictly adhered to. All staff are to be familiar with their exit channel.

Any school wishing to leave early must notify the Carnival Manager prior to their departure. All schools are encouraged to remain until all presentations are complete.

Spectators should exit the stand via the closest exit door and proceed through the concourse to Gate C.

**A - E** division competitors: will exit underneath the temporary seating, through the glass doors, turn right, walk behind the demountable building, take the stairs to the South and follow the concourse past the 10-lane pool to exit via gate C to the AJ Pavilion car park for buses.

**NB: Refer to Map 1 below for parking and traffic flow information.**

## PARKING and TRAFFIC FLOW

### **Bus Numbers Form:**

All schools that are competing in the swimming carnivals should complete the bus numbers form on the ACC web site for HBF Stadium parking. The traffic managers at Venues West need to know in advance the number and type of buses that each school will have at the venue, and if the buses will be leaving after drop off or staying for the carnival duration. This includes both spectator and competitor buses. Bus forms are to be completed by Friday **17 February 2023**.

<https://www.accsport.asn.au/carnivals/swimming/bus-numbers-form>

### **Bus and Parking Procedures** (as requested by HBF Stadium):

It is essential that schools provide this information to their bus company/drivers and supervising staff so the correct procedures are adhered to.

**DROP OFF:** See Map 1

**All buses** will enter from Stephenson Ave, through HBF Stadium's **main** car park and drop the students off at the back/eastern side of HBF Stadium in the AJ Pavilion parking area at UWA Sports Park (on McGillivray Road). Venues West staff will then direct students to cross McGillivray Road and enter the Aquatic center via a back gate near the RLSS building.

After drop off buses are to proceed to Brockway Road via McGillivray Road.

**Parents** dropping off students are to enter off Stephenson Ave and turn left or right (as instructed) at the roundabout and use the drop off areas allocated. Parents are not to park in car isles or obstruct traffic when dropping off.

**Parking:** See Map 1

**Parents** can park in the main HBF Stadium car park. Parents attending the carnival are to access the Aquatic Centre via the front/main entrance (off Stephenson Ave).

### **Bus Parking**

Smaller coaster buses ( $\leq 30$  seats) may park in carpark 2 at the front of HBF Stadium if they need to stay for the duration of the event.

All large buses (over 30 seats) may not park at the venue for the duration and are advised to park at either Perry Lakes or City Beach. An exception is made for large buses that are being driven by school teaching staff, **provided** the school has advised the ACC in advance (via the bus numbers form and by the due date) that they will need parking on site at HBF Stadium. If this procedure has been followed then the ACC will advise Venues West and such buses may be parked in carpark 2 at the front of HBF Stadium.

Small buses/mini vans ( $\leq 20$  seats) that can fit in a standard car bay may park in the main HBF Stadium car parking areas.

No buses (small or large) are to remain parked in the AJ Pavilion parking area at UWA Sports Park for the duration of the carnival.

### **PICK UP: See Map 1**

All buses will enter from Stephenson Ave, drive through HBF Stadium's car park and park in their designated bays in the UWA Sports Park (AJ Pavilion) car park on McGillivray Road.

Buses should be parked and ready to exit by:

<b>12.30 pm (J division carnival)</b>	<b>1.00pm (G - I division carnivals)</b>
<b>1.45pm (C - F division carnivals)</b>	<b>2.00pm (A &amp; B division carnivals)</b>

There is a pre-determined order for buses collecting students, and students will exit the pool in this order. Country schools have first exit privileges due to travel distances; the exit order of other schools is aligned to seating areas and is rotated annually. Buses **MUST** be ready to collect students in the correct pre-determined order. **This order should be as listed in the table below.**

Students will exit HBF Stadium at the rear gate. An official will be on hand to direct students to cross McGillivray Road and proceed to their buses.

Buses are **NOT TO STAND** waiting for students in McGillivray Road; they **MUST** remain at the AJ Pavilion car park area until their students have boarded.

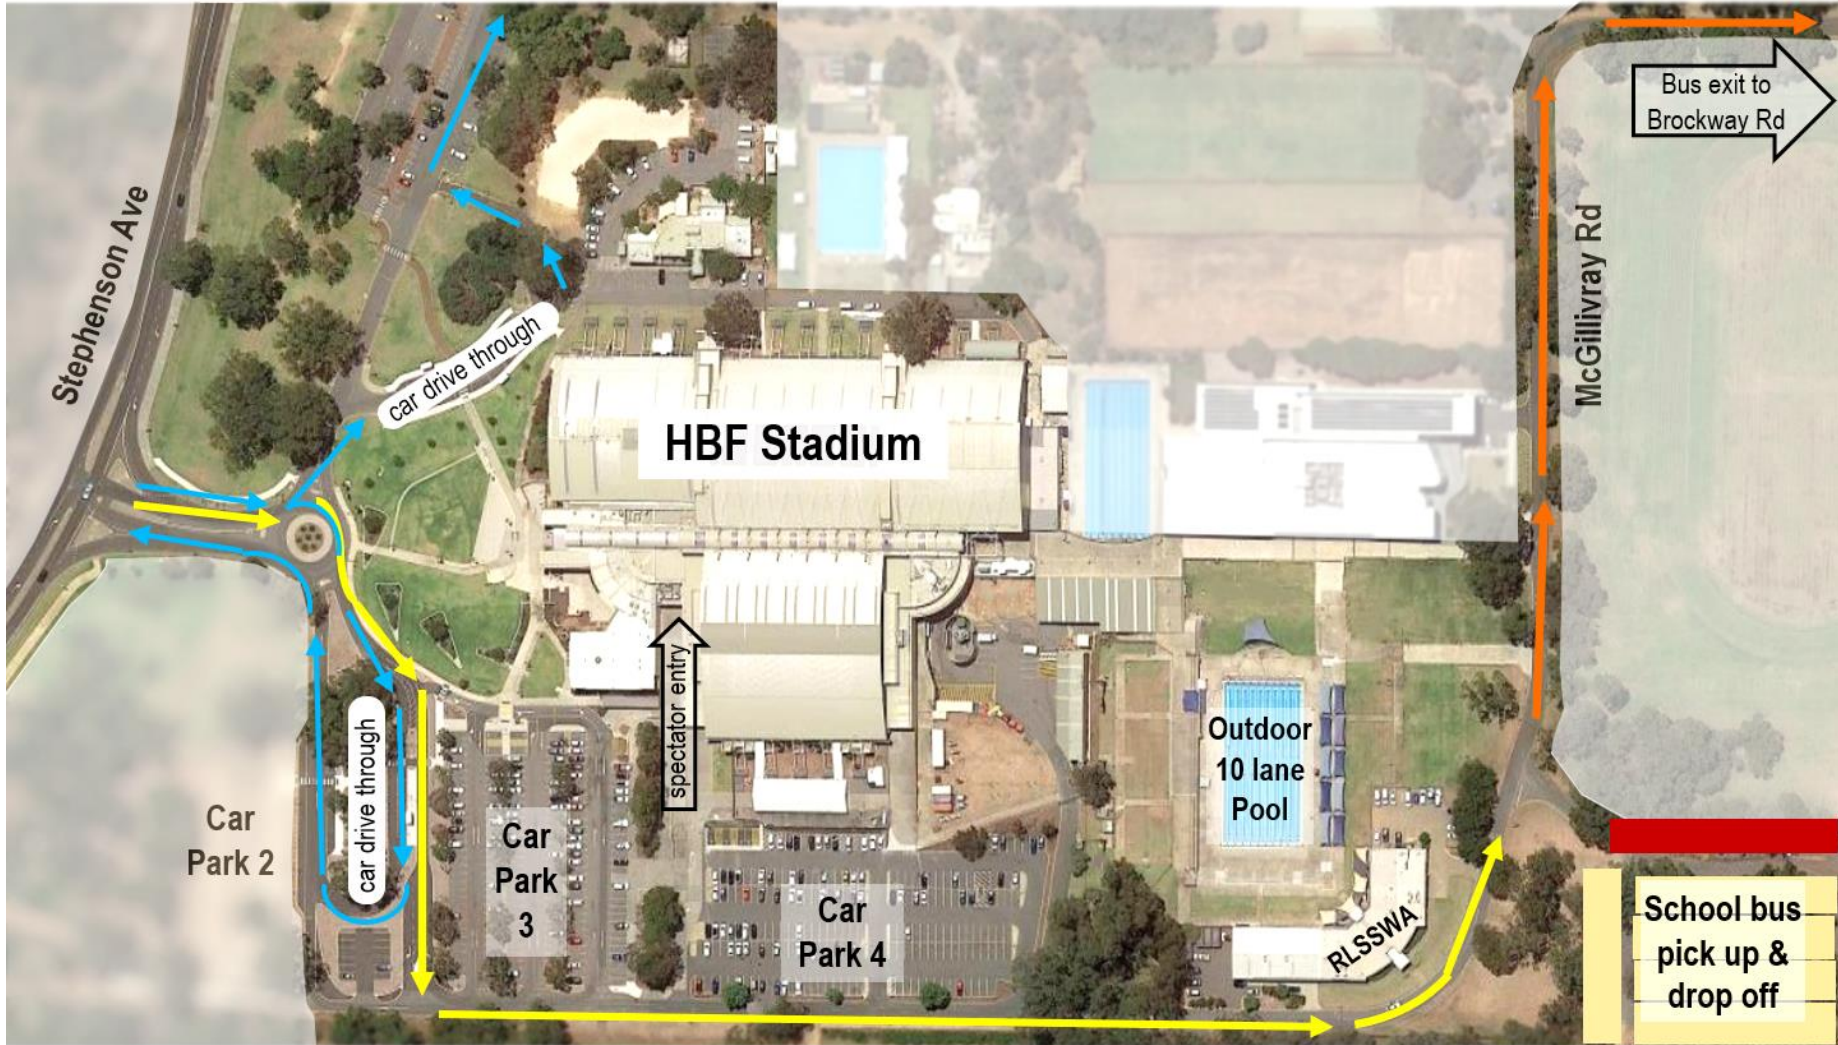

ACC officials with radio link will advise the announcer inside the facility when each school bus is in place and schools will then be asked to exit the facility in order. If school buses are not in the correct order, officials will ask the announcer to direct another school to exit the facility in their place.

No buses are to remain parked in the AJ Pavilion parking area at UWA Sports Park for the duration of the carnival.

Parents: Parents are to pick up their child from the front of HBF Stadium in the designated drop off/pick up zones or by parking in a marked bay. Parents are reminded not to park in car isles or obstruct traffic when picking up.
