- Competitors are permitted to compete in one age group only, for all events.
- A competitor who qualifies to compete in U14, but elects to compete in U15 for his or her FIRST EVENT, must remain in U15 for all other events, including relays.

RESULTS & AWARDS

Carnival results will be available online at www.accsport.asn.au/carnivals/swimming/results/2026

POINTS ALLOCATION	1st	2nd	3rd	4th	5th	6th	7th	8th
Div I	12	11	10	9	8	7	6	5
Divs II & III	8	7	6	5	4	3	2	1
Relays Div I	24	22	20	18	16	14	12	10
Relays Div II	16	14	12	10	8	6	4	2

At all carnivals, team shields are awarded in the following 7 categories:

Junior Boys	Senior Boys	Aggregate Boys	Combined Aggregate
Junior Girls	Senior Girls	Aggregate Girls	

The **final** determination of results will take place three days after the completion of the carnival; after this stage of the scoring process the results are final. If final points scores differ from those announced at the carnival, the schools involved will be notified and, if necessary, shields are to be transferred using minimum process. Final point tallies will also be listed in the ACC Year Book.

Age Champions and All Stars

Individual age champions are not announced at the carnivals; they will be posted on the ACC website after the carnival and winners will receive a certificate of acknowledgment.

Following the series of carnivals, the ACC will compare all results across all carnival divisions and select an honorary 'All Star' team of the best performers in each event. Students selected in the All Star team will receive a certificate of acknowledgment and an ACC 'All Star' pin.

EVENT RULES

- ACC swimming carnivals are conducted using Swimming WA officials under *World Aquatics* rules, except if stated otherwise in the ACC Swimming Operations Manual.
- The World Aquatics 'one start' rule (reference SW 4.4, 4.1 & 2.1.6) is used with the following ACC amendment: All swimmers disqualified at the start shall still be allowed to swim in their race. This is to encourage participation and allow school aged competitors their opportunity to swim regardless of the result.
- Competitors must swim in their official school swimming cap and bathers. Competition racing bathers must meet *World Aquatics* requirements.
- Competitors may swim in only one division of any event.
- C - J division: Rules are modified to allow Swimming WA officials the authority to use their discretion and common sense when adjudicating on rule infringements. Disqualifications should only be called if the infringement provides the swimmer with a clear and unfair advantage or causes disadvantage to another swimmer.
- In G-J division carnivals, a competitor may swim in both individual Freestyle events (i.e. both the 100m and the 50m).
- In G-J division carnivals only, the 100m Freestyle and Medley Relay events are Open; therefore, swimmers from any age group may compete in these events and still maintain their age group status. E.g. A swimmer competing in the U14 age category for all other events may also compete in the Open100m freestyle and the Open medley relay.
- Swim order for medley relays is as follows: Backstroke, Breaststroke, Butterfly, Freestyle.
- The ratified result placings will be determined by the electronic touchpad time.
- If discrepancy occurs due to malfunction in electronic timing/judging, or touch pad not being activated, the second consideration will be the Lane Timekeepers semi-automatic timing back-up mechanism, based on the slower of the two times (or middle of the three times in A/B division carnivals). The third consideration will be the Referee's decision, based upon the manual place judging. In the event of a touch pad or back-up button failing to register a time the competitor will be given an adjusted time relevant to their place.
- Unauthorized video recordings will not be used as evidence for results or appeals. At all ACC sport carnivals it is only if the organising ACC staff deem it appropriate, that authorized event officials may use video recordings for adjudication purposes.
