## AGE CLASSIFICATION & CATEGORIES

	Junior	Senior
A, B, C & D Division	U13, U14 & U15	U16, U17 & U19
E & F Divisions	U13, U14 & U15	U16 & U19
G, H & I Divisions	U13 & U14	U15 & U19
J Division	U13 & U14	U19

- All ACC carnivals will use the cut-off date **30th June** for age group classification.
- Competitors are permitted to compete in one age group only, for all events.
- A competitor who qualifies to compete in U14, but elects to compete in U15 for his or her FIRST EVENT, must remain in U15 for all other events, including relays.

## AWARDS

At all carnivals, team shields are awarded in the following 7 categories:

Junior Boys	Senior Boys	Aggregate Boys	Combined Aggregate
Junior Girls	Senior Girls	Aggregate Girls	

### **Age Champions and All Stars**

Individual age champions are not announced at the carnivals; they will be posted on the ACC website after the carnival and winners will receive a certificate of acknowledgment.

Following the series of carnivals, the ACC will compare all results across all carnival divisions and select an honorary 'All Stars' team of the best performers in each event. Students selected in the All Stars team will receive a certificate of acknowledgment and an ACC 'All Stars' pin.

## RESULTS

Carnival results will be available online at [www.accsport.asn.au/carnivals/swimming/results/2025](http://www.accsport.asn.au/carnivals/swimming/results/2025).

### **Post Carnival**

The **final** determination of results will take place three days after the completion of the carnival. After this stage of the scoring process the results are final, and if points scores differ from those announced at the carnival, the schools involved will be notified and, if necessary, shields are to be transferred using minimum process. Final point tallies will also be listed in the 2025 ACC Year Book.

POINTS ALLOCATION	1st	2nd	3rd	4th	5th	6th	7th	8th
Div I	12	11	10	9	8	7	6	5
Divs II & III	8	7	6	5	4	3	2	1
Relays Div I	24	22	20	18	16	14	12	10
Relays Div II	16	14	12	10	8	6	4	2

# EVENT RULES

- ACC swimming carnivals are conducted using Swimming WA officials under *World Aquatics* rules, except if stated otherwise in the ACC Swimming Operations Manual.

- **The *World Aquatics* “one start” rule (SW 4.4) is used as follows.**

***The Start:*** Any swimmer initiating a start before the signal may be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer/s shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back and start again. The referee repeats the starting procedure beginning with the long whistle (the second one for backstroke).

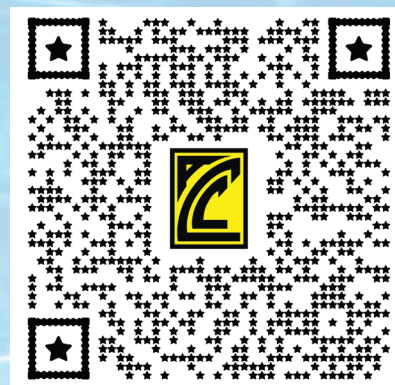

***Interpretation:*** After all swimmers are stationary (SW 4.1), any swimmer who moves before the starting signal may be disqualified if such movement is observed and confirmed by both the starter and referee (SW 2.1.6).

***ACC amendment:*** All swimmers disqualified at the start shall still be allowed to swim in the race. This difference to *World Aquatics* rules is to encourage participation and allow school aged competitors the opportunity to swim in their race regardless of their result.

- ***Use of video evidence:*** Although school staff/parents/spectators may take video or photographic recordings of their own students, no video recording is to be used as evidence for results or an appeal. This rule applies across all ACC sport carnivals. Only in cases where the organising ACC staff deem it appropriate, may authorized event officials video record events or use video recordings for adjudication purposes.
  - ***C - J division:*** Rules are modified to allow Swimming WA officials the authority to use their discretion and common sense when adjudicating on rule infringements. Disqualifications should only be called if the infringement provides the swimmer with a clear and unfair advantage or causes disadvantage to another swimmer.
  - Competitors must swim in their official school swimming cap and bathers. Competition racing bathers must meet *World Aquatics* requirements.
  - Competitors may swim in only one division of any event.
  - In A-F division carnivals, a competitor may only swim in one individual Freestyle event (either 100 m or 50 m, not both).
  - In G-J division carnivals, a competitor may swim in both individual Freestyle events (i.e. both the 100m and the 50m).
  - In G-J division carnivals only, the 100m Freestyle and Medley Relay events are Open, therefore swimmers from any age group may compete in these events and still maintain their age group status. E.g. A swimmer competing in the U/14 age category for all other events may also compete in the Open100m freestyle and the Open medley relay.
  - Swim order for medley relays is as follows: Backstroke, Breaststroke, Butterfly, Freestyle.
  - The ratified result placings will be determined by the following.
    - 1<sup>st</sup> consideration:** Electronic timing based on the touchpad time.
- If discrepancy occurs due to malfunction in electronic timing/judging or touch pad not being activated
- 2<sup>nd</sup> consideration:** Lane timekeepers semi-automatic timing back-up mechanism, based on the slower of the two times (or middle of the three times in A/B division carnivals).
  - 3<sup>rd</sup> consideration:** The Referee’s decision, based upon the manual place judging.
- Note:** In the event of a touch pad or back-up button failing to register a time the competitor will be given an adjusted time relevant to their place.
