- The spirit of the Super Series is that all schools must endeavor to arrive on time to ensure they attend briefing and so fixtures start directly on time. In some instances, this will require the schools to leave early to allow for travel time to the venue and adequate warm up. Games will generally be on central timing and for this reason; round start times will not be postponed or delayed.
- Sports Coordinators are expected to discuss these ‘time issues’ with their Principal and Deputy Principal well in advance of the day to ensure that the necessary transportation is in place.
- Briefing: An ACC staff member or Sport Controller will be at each venue and will hold a briefing for all schools prior to the first round of fixtures. It is expected that an adult representative or coach from each team is present for this briefing. **Basketball in particular also requires each team’s scorer to be present for the briefing.**
- Warm Up: All teams should attempt to arrive at the venue and be in position for allocated (Round 1) ground or court at least 20-30 minutes prior to the start time to commence a sufficient warm-up.

4. GENERAL CONDITIONS OF PARTICIPATION

4.1 Dress

All players **MUST** wear the official school sport uniform for each sport. All players should wear the same shorts/skirts, socks and singlets/shirts. Before each match, schools should contact each other to check if there could be clash of colour/style. Basketball and Soccer players must all wear numbered singlets/shirts. Netball players must wear positional bibs.

4.2 Staffing

- Suitable teaching staff are assigned a coaching or managing task by the Principal in consultation with the Sports Coordinator in such a way that each team is accompanied by a teacher or a responsible adult acting on authorization from the Principal.

- If necessary, qualified (in the estimate of the Principal and Sports Coordinator), parents or past students may be authorized by the Principal to coach/manage teams.

4.3 **Umpires/Referees/Scorers – (TBC)**

- ***West Coast Fever Shield:***

Umpires: The ACC will source all umpires prior to the carnival and teams will be invoiced for this after the competition. Each netball team will be invoiced for the cost of 1 x accredited “C Badge” netball umpire. Should the ACC be unable to secure the high volume of umpires then schools will be notified, and they will then need to provide an umpire to accompany the netball team (this may be a competent senior school student with netball experience).

Scorer: Each team to supply one competent scorer (this can be a senior school student). It should not be a non-playing player. Scorers should be present for the morning briefing with coaches and umpires. **The ACC may secure some SEDA students to assist with the scoring stations.**

- ***ACC Basketball Challenge:***

Referees: The ACC will source all referees prior to the carnival and teams will be invoiced for this after the competition. Each basketball team will be invoiced for the cost of 1 x accredited basketball referee. Should the ACC be unable to secure the high volume of referees then schools will be notified, and they will then need to provide a referee to accompany the basketball team (this may be a competent senior school student with basketball experience).

Scorer: Each school is required to also bring along a competent scorer (senior Year 10-12 student or adult). The Scorer should have some previous knowledge or experience with Stadium Scoring (electronic scoreboards). Scorers should be present for the morning briefing with coaches and referees.

- ***Hockey WA Boys and Girls Shield:***

Umpires: Umpires will be sourced from Hockey WA for this event. Umpire costs will be shared amongst competing teams following the carnival (invoice). Teams do not need to provide a scorer for hockey with the umpires scoring each game.

- ***Football West Sam Kerr Shield/Stan Lazaridis Shield:***

Central Referees: The ACC will source all central referees prior to the carnival and teams will be invoiced for this after the competition. Competing teams will share the cost of the central referees. Should the ACC be unable to secure the high volume of central referees across the venues then schools will be notified, and they will then need to provide a central referee to accompany the soccer team (this may be a competent senior school student with soccer experience).

Sideline Referees: Each team is to bring an assistant teacher or senior student who can perform as the lines referee for each fixture (this way each team provides one lines referee and both sidelines will be covered). Sideline referees should wear a vest and have a sideline flag. This should not be the coach. A reserve/substitute Year 7 student player cannot also perform this duty.

- 4.4 **Points**
Stan Lazaridis and Sam Kerr Shield
 WIN - 3 Points
 LOSS - 0 Points
 DRAW - 1 Point per team

West Coast Fever Shield (no draws)
 WIN - 3 Points
 LOSS - 0 Points

ACC Schools Basketball Challenge (no draws)
 WIN - 3 Points
 LOSS - 0 Points

Hockey WA Boys and Girls Shield
 WIN - 3 Points
 LOSS - 0 Points
 DRAW - 1 Point per team

In all competitions, teams with equal points on the final competition ladders will be separated firstly by the superior goal/point, for & against differential. If the differential is equal the next tiebreaker to determine ladder will be the HEAD TO HEAD result played between the two teams. The final tiebreaker to determine ladder will be the HIGHEST SCORING TEAM (offensive) across the full carnival (points/goals for).

4.5 **Forfeits**

If a forfeit occurs due to a team arriving late, then the forfeit must be 'called' before the start of play. Early communication is essential to alleviate problems arising from forthcoming forfeits.

To assist with the separation of teams with equal points on the competition ladders, the team winning a forfeit, will be awarded the following points.

Where a "mutual" forfeit has occurred, both teams will receive "draw" points (i.e. 1 point each), and the average point score of all teams throughout the day.

Forfeit scores will be as follows:

- **West Coast Fever Shield** – winning team awarded 3 points (a goal score of 25 – 0). The losing team awarded 0 points (a goal score of 0 – 25).
- **Hockey WA Boys and Girls Shields** – winning team awarded 3 points (a goal score of 5-0). The losing team awarded 0 points (a goal score of 0-5).
- **Stan Lazaridis and Sam Kerr Shield** – winning team awarded 3 points (a goal score of 4-0). The losing team awarded 0 points (a goal score of 0-4)

4.10 **Grand Final Games and Presentations**

The Grand final game in each series shall be played after all the rounds of play have been completed. All schools are encouraged to stay at the venue to watch the grand final and be present for the short presentations. This has been planned into the competition schedule to enable schools to stay if possible and watch final playoff games or Grand Finals.

A separate Grand Final Carnival will be used in 2022 (where multiple pools exist)

If the Grand Final game within a pool or sport finishes and scores are level, extra time will then be played as per below.

- **Grand Final Football West Sam Kerr and Stan Lazaridis Shield (soccer)**
- If scores are level after full time, schools will have a penalty shootout moving directly into sudden death penalties (not 5/5)

Penalty Shootout procedure

- Before kicks from the penalty mark start the referee tosses a coin to decide the goal at which the kicks will be taken. It may only be changed for safety reasons.
- The referee tosses a coin and the team that wins the toss decides whether to take the first kick or second kick.
- Only eligible players within the 11 players on field are able to take the kick and all players must remain in the centre circle, except the goal keeper or the kicker. They must remain outside the penalty area, on the goal line where it meets the penalty area boundary line.
- Both teams alternate kick for kick until one team breaks the deadlock
- Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick.

- **Grand Final West Coast Fever Shield (netball)**
 - There shall be a one (1) minute interval at the end of full time.
 - Teams shall change ends and extra time shall consist of 5 minutes. The team entitled to the next centre pass takes the centre pass.
 - In the event of a tie remaining at the end of the 5 minutes extra time, a visual signal shall be given by the umpire to indicate that play shall continue until one team has a two (2) goal advantage. The game does not stop as the time becomes irrelevant.
 - In the event of a draw, continue to use the same scorecard.
- **Grand Final ACC Schools Basketball WA Challenge (basketball)**
 - Extra time of 5 minutes with no timeouts.
 - If scores are still level after the 5 minutes extra time, the game continues until the next basketball point (golden point) is scored. This can be a free throw that breaks the deadlock.
- **Grand Final Hockey WA Boys & Girls Shields (hockey)**
 - Extra time of 5 minutes with golden goal rule implemented (first goal wins).
 - If scores are still level after extra time, the game will be decided by the following measures in order:
 1. Highest team on the ladder after round robin fixtures (goals for v against differential)
 2. Most goals scored through the carnival (highest goals for - offensive team)

AWARDS: Each player from the winning school will receive a medallion. A perpetual shield/trophy will also be awarded to the winning school, which they can keep for the 12 months following the competition. ***It is the school's responsibility to get the shield/trophy engraved and return it to the ACC Office before the commencement of the next year's competition.***

4.11 **Inclement Weather**

Matches/carnivals will only be cancelled in cases of extreme weather that pose a risk to player safety. Rain is not considered extreme weather. The ACC will contact schools/sport coordinator by 7.00am via SMS if there is a severe weather forecast and the carnival will be cancelled. If the ACC issues no SMS alert then schools should report to the venue and prepare to play.

4.12 **First Aid**

A sports trainer/first aid officer will be located at all venues to assist with injury management. It is the schools duty of care and responsibility to have their own first aid kit, including ice, to deal with minor injuries and contingency plans in place in case of serious injury.
