**** Round 5 of today's carnival is SOCKTOBER ROUND ****

We are asking all teams to pull together their creativity, and bring along their very own SOCKBALL'S to the carnival. These balls will replace standard soccer balls used in all round 5 games.

The Socktober Round

for Children in Poverty & the work of Catholic Mission

The Socktober Round at the ACC Lightning Carnival is played using a 'sockball' made out of old socks, leftover plastic bags and strips of second-hand clothing. It is the type of soccer ball that is made and used by children to play soccer in the urban slums and isolated rural villages of developing countries across the world. It's what truly makes soccer 'the World Game'.

Playing **the Socktober Round** puts your school's soccer team in solidarity with children living in poverty throughout the developing world. It provokes your team to consider the disadvantages in nutrition, healthcare and educational opportunities of children impacted by global poverty. It invites your school's soccer team to become their voice.

If you would like to learn how to make your own team sockball to use for **the Socktober Round**, then contact Judith at JNyamuli@catholicmission.org.au to arrange for a demonstration during a lunchtime break.

If playing **the Socktober Round** inspires your soccer team to become a voice for social justice (like Craig Forster – former Socceroo) and to make a difference in the lives of children living in poverty, then contact Francis at director.cm@perthcatholic.org.au to find out how the team can become **Socktober leaders** for their school in 2024.
