## SOCKTOBER ROUND

**\*\* Round 5 of today's carnival is SOCKTOBER ROUND \*\***

We are asking all teams to pull together their creativity, and bring along their very own SOCKBALL'S to the carnival. These balls will replace the standard soccer balls used in all games, for round 5 of the carnival.

*The SOCKBALL, made of recycled material like socks, leftover plastic bags and old t-shirts, is the iconic symbol of the SOCKTOBER initiative and represents the reality of young people in low socio economic communities around the world. This year's campaign supports children facing malnutrition and food insecurity in Timor-Leste.*

Students will be challenged to adjust to the substitute balls, made by hand, which will be uneven and very unpredictable in the direction they may take, when they come off the foot. The balls may not last an entire game, so students will need to be prepared to 'sub-in' a new SOCKBALL, or fix the one they have.
